- (i) the Notes and the Receipts shall be deemed to be redenominated into Euro in the denomination of € 0.01 with a nominal amount for each Note and Receipt equal to the nominal amount of that Note or Receipt in the Specified Currency, converted into Euro at the Established Rate, provided that, if the Issuer determines, with the agreement of the Agent, that the then market practice in respect of the redenomination in Euro of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders, the stock exchange (if any) on which the Notes may be listed and the Paying Agents of such deemed amendments;
- (ii) save to the extent that an Exchange Notice has been given in accordance with paragraph (iv) below, the amount of interest due in respect of the Notes will be calculated by reference to the aggregate nominal amount of Notes presented (or, as the case may be, in respect of which Coupons are presented) for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest € 0.01;
- (iii) if Definitive Notes are required to be issued after the Redenomination Date, they shall be issued at the expense of the Issuer in the denominations of € 1,000, € 10,000, € 100,000 (as determined by the Issuer in consultation with the Agent) and (but only to the extent of any remaining amounts less than € 1,000 or such smaller denominations as the Agent may approve) € 0.01 and such other denominations as the Agent shall determine and notify to the Noteholders;
- (iv) if issued prior to the Redenomination Date, all unmatured Coupons denominated in the Specified Currency (whether or not attached to the Notes) will become void with effect from the date on which the Issuer gives notice (the '**Exchange Notice**') that replacement Euro-denominated Notes, Receipts and Coupons are available for exchange (provided that such securities are so available) and no payments will be made in respect of them. The payment obligations contained in any Notes and Receipts so issued will also become void on that date although those Notes and Receipts will continue to constitute valid exchange obligations of the Issuer. New Euro-denominated Notes, Receipts and Coupons will be issued in exchange for Notes, Receipts and Coupons denominated in the Specified Currency in such manner as the Agent may specify in

consultation with the Issuer where practicable and as shall be notified to the Noteholders in the Exchange Notice. No Exchange Notice may be given less than 15 days prior to any date for payment of principal or interest on the Notes;

- (v) on or after the Redenomination Date, all payments in respect of the Notes, the Receipts and the Coupons, other than payments of interest in respect of periods commencing before the Redenomination Date, will be made solely in Euro as though references in the Notes to the Specified Currency were to Euro. Payments will be made in Euro by credit or transfer to a Euro account (or any other account to which Euro may be credited or transferred) specified by the payee.
- (vi) if the Notes are Fixed Rate Notes and interest for any period ending on or after the Redenomination Date is required to be calculated for a period ending other than on an Interest payment Date, it will be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention; and
- (vii) if the Notes are Floating Rate Notes, the applicable Final Terms will specify any relevant changes to the provisions relating to interest.

## 5. Interest

### (a) *Interest on Fixed Rate Notes*

Each Fixed Rate Note bears interest on its outstanding nominal amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year and on the Maturity Date (if that does not fall on an Interest Payment Date).

Except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

If interest is required to be calculated for a period other than a Fixed Interest Period, such interest shall be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

### (b) *Interest on Floating Rate Notes, Currency Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes, Index Linked Interest Notes, Equity Linked Interest Notes and Credit Linked Interest Notes*

#### (i) Interest Payment Dates

Each Floating Rate Note, Currency Linked Interest Note, Commodity Linked Interest Note, Fund Linked Interest Note, Index Linked Interest Note, Equity Linked Interest Note and Credit Linked Interest Note bears interest on its outstanding nominal amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (A) the Specified Interest Payment Date(s) (each an '**Interest payment Date**') in each year specified in the applicable Final Terms; or
- (B) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each an '**Interest Payment Date**') which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and

Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (A) in any case where Specified Periods are specified in accordance with Condition 5(b)(i)(B) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply mutatis mutandis or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (B) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (C) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (D) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

(ii) Rate of Interest

The Rate of Interest payable from time to time in respect of Floating Rate Notes, Currency Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes, Index Linked Interest Notes, Equity Linked Interest Notes and Credit Linked Interest Notes will be determined in the manner specified in the applicable Final Terms and the provisions below relating to ISDA Determination, ICMA Determination, Screen Rate Determination or any other method of determination that may be specified in the applicable Final Terms.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), '**ISDA Rate**' for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent under an interest rate swap transaction if the Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2000 ISDA Definitions or 2006 ISDA Definitions, as specified in the relevant Final Terms, as published by the International Swaps and Derivatives Association Inc. and to be obtained at the website <http://www.isda.org>, and as amended and updated as at the Issue date of the first Tranche of the Notes (the '**ISDA Definitions**') and under which:

- (1) the Floating Rate Option is as specified in the applicable Final Terms;
- (2) the Designated Maturity is the period specified in the applicable Final Terms; and
- (3) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London inter-bank offered rate ('**LIBOR**') or on the Euro-zone inter-bank offered rate ('**EURIBOR**'), the first day of that Interest Period or (ij) in any other case, as specified in the applicable Final

Terms.

For the purposes of this sub-paragraph (A), **'Floating Rate'**, **'Calculation Agent'**, **'Floating Rate Option'**, **'Designated Maturity'** and **'Reset Date'** have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation (if there is only one quotation on the Relevant Screen Page); or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations, (expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent. If five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest pursuant to this subparagraph (B) in the event that the Relevant Screen Page is not available or if, in the case of (1) above, no such offered quotation appears or, in the case of (2) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms.

(iii) Minimum Rate of Interest and/or Maximum Rate of Interest

If the applicable Final Terms specify a Minimum Rate of Interest for any Interest Period, then in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specify a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(iv) Determination of Rate of Interest and Calculation of Interest Amounts

The Agent, in the case of Floating Rate Notes, or the Calculation Agent, in the case of Currency Linked Interest Notes, Commodity Linked Interest Notes, Index Linked Interest Notes, Credit Linked Interest Notes and Equity Linked Interest Notes, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In the case of Currency Linked Interest Notes, Commodity Linked Interest Notes, Index Linked Interest Notes, Equity Linked Interest Notes and Credit Linked Interest Notes, the Calculation Agent will notify the Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Agent or, as the case may be, the Calculation Agent will calculate the amount of interest (the '**Interest Amount**') payable on the Floating Rate Notes, Currency Linked Interest Notes, Commodity Linked Interest Notes, Index Linked Interest Notes, Equity Linked Interest Notes and Credit Linked Interest Notes in respect of each Specified Denomination for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. In the case of Currency Linked Interest Notes, Commodity Linked Interest Notes, Index Linked Interest Notes, Equity Linked Interest Notes and Credit Linked Interest Notes, the Calculation Agent will notify the Agent of the Interest Amount payable on the Notes in respect of each Specified Denomination for the relevant Interest Period as soon as practicable after calculating the same.

(v) Notification of Rate of Interest and Interest Amount

The Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Floating Rate Notes, Currency Linked Interest Notes, Commodity Linked Interest Notes, Index Linked Interest Notes, Equity Linked Interest Notes or Credit Linked Interest Notes are for the time being listed and notice thereof to be published in accordance with Condition 19 as soon as possible after their determination but in no event later than the fourth London Business Day (as defined below) thereafter and, in the case of Notes admitted to the listing on the regulated market of the Luxembourg Stock Exchange and/or on Euronext Amsterdam, cause each such Rate of Interest, Interest Amount and Interest Payment Date, as the case may be, to be notified to Euronext Amsterdam and/or the Luxembourg Stock Exchange, as the case may be, in accordance with the rules and regulations of such Stock Exchange. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the Notes are for the time being listed and to the Noteholders in accordance with Condition 19. For the purposes of this paragraph, the expression '**London Business Day**' means a day (other than a Saturday or Sunday) on which banks and foreign exchange markets are open for business in London.

(vi) Certificates to be Final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this paragraph (b), whether by the Agent or if applicable, the Calculation Agent shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Agent, the Calculation Agent, Agent, if applicable, the other Paying Agents and all Noteholders, Receiptholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Noteholders, the Receiptholders or the Couponholders shall attach to the Agent or the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) *Interest on Currency Linked Interest Notes, Commodity Linked Interest Notes, Index Linked Interest Notes, Fund Linked Interest Notes, Credit Linked Interest Notes and Equity Linked Interest Notes*

In the case of Currency Linked Interest Notes, Commodity Linked Interest Notes, Index Linked Interest Notes, Fund Linked Interest Notes, Credit Linked Interest Notes and Equity Linked Interest Notes, the rate or amount of interest payable in respect of each Interest Period or specified Interest Payment Date, as the case may be, shall be determined in the manner specified in the applicable Final Terms.

(d) *Interest on Dual Currency Interest Notes*

In the case of Dual Currency Interest Notes, if the rate or amount of interest falls to be determined by reference to an exchange rate, the rate or amount of interest payable shall be determined in the manner specified in the applicable Final Terms.

(e) *Interest on Partly Paid Notes*

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Final Terms.

*(f) Accrual of Interest*

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (1) the date on which all amounts due in respect of such Note have been paid; and
- (2) five days after the date on which the full amount of the moneys payable has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 19 or individually.

Provided that if Condition 12(b) or Condition 12(c) applies in respect of the Notes and:

- (A) '**Accrual of Interest upon Credit Event**' is specified as Not Applicable in the applicable Final Terms, each Note shall cease to bear interest from the Interest Period End Date immediately preceding the Credit Event Determination Date, or if the Credit Event Determination Date is an Interest Period End Date such Interest Period End Date or, if the Credit Event Determination Date falls prior to the first Interest Period End Date, no interest shall accrue on the Notes; or
- (B) '**Accrual of Interest upon Credit Event**' is specified as being Applicable in the applicable Final Terms, each Note shall cease to bear interest from the Credit Event Determination Date; and

Provided further that, if:

- (C) Condition 12(d) or Condition 12(e) applies in respect of the Notes and, in the case of Condition 12(d), a Repudiation/Moratorium has not occurred on or prior to the Repudiation/Moratorium Evaluation Date or, in the case of Condition 12(e) a Failure to Pay has not occurred on or prior to the Grace Period Extension Date, as the case may be; and/or
- (D) Condition 12(f) applies in respect of the Notes and the Scheduled Maturity Date, the Grace Period Extension Date or the Repudiation/Moratorium Evaluation Date, as the case may be, is postponed as provided therein,

then interest will accrue as provided in Condition 12(d), Condition 12(e) or Condition 12(f), as the case may be.

*(g) Deferral of Interest on Tier 3 Notes*

Notwithstanding anything to the contrary contained elsewhere in this Condition 5, if this Note is a Tier 3 Note interest will not be payable on any Interest Payment Date if and to the extent that at the time of, or as a result of such payment the Issuer's actual Own Funds would amount to less than 100 per cent. of the Issuer's required minimum amount of Own Funds under the Solvency Guidelines. Any interest in respect of this Note not paid on an Interest Payment Date on which such interest would otherwise be payable will constitute arrears of interest ('**Arrears of Interest**') and will become payable and will be paid by the Issuer as soon as and to the extent that the Issuer will, after such payment has been made, meet the solvency test referred to in the previous sentence. Any Arrears of Interest will also become fully payable on the date of the dissolution of the Issuer, the date on which the Issuer is declared bankrupt or the date on which a Moratorium resulting from the application of emergency measures as referred to in Article 3:160 of the Act on Financial Supervision ("*Wet op het financieel toezicht*") is declared in respect of the Issuer. Where any amount of interest or Arrears of Interest is not paid in full, each part payment shall be made *pro rata* to the Tier 3 Noteholders of this Series and shall be in respect of the interest accrued furthest from the date of payment. Any Arrears of Interest shall not themselves bear interest.

## **6. Payments**

*(a) Method of Payment*

Subject as provided below:

- (i) payments in a Specified Currency other than Euro will be made by credit or transfer to an account in the relevant Specified Currency (which, in the case of a payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or, at the option of the payee, by a cheque in such

- Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian Dollars or New Zealand Dollars, shall be Melbourne or Wellington respectively); and
- (ii) payments in Euro will be made by credit or transfer to a Euro account (or to any other account to which Euro may be credited or transferred) specified by the payee.

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 13.

*(b) Presentation of Notes, Receipts and Coupons*

Other than in the case of Definitive Notes in CF-Form, payments of principal in respect of Definitive Notes will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Definitive Notes, and payments of interest in respect of Definitive Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Payments of principal in respect of any Definitive Notes in CF-form will be made in the manner provided in paragraph (a) above only against surrender of Definitive Notes together with the Coupon sheet attached. Payments of interest in respect of any Definitive Notes in CF-form will be made in conformity with the agreement concluded between the Issuer and Algemeen Obligatiekantoor van het Centrum voor Fondsenadministratie BV in Amsterdam (the '**Obligatiekantoor**'), under which agreement the Issuer has accepted the rules and regulations of the Obligatiekantoor.

Payments of instalments of principal (if any), other than the final instalment, will (subject as provided below) be made in the manner provided in paragraph (a) above against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Receipt. Payment of the final instalment will be made in the manner provided in paragraph (a) above against surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Note. Each Receipt must be presented for payment of the relevant instalment together with the Definitive Note to which it appertains. Receipts presented without the Definitive Note to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any Definitive Note becomes due and repayable, unmaturing Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Fixed Rate Notes in definitive form (other than Dual Currency Notes, Index Linked Interest Notes, Currency Linked Notes, Commodity Linked Notes, Equity Linked Notes, Fund Linked Notes, Credit Linked Notes and Long Maturity Notes) should be presented for payment together with all unmaturing Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmaturing Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmaturing Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of five years after the date on which such principal first became due (whether or not such Coupon would otherwise have become void under Condition 14) or, if later, five years from the date on which such Coupon would otherwise have become due. Upon any Fixed Rate Note becoming due and repayable prior to its Maturity Date, all unmaturing Talons (if any) appertaining thereto will become void and no further Coupons in respect of any such Talons will be issued.

Upon the date on which any Floating Rate Note, Dual Currency Note, Index Linked Interest Note, Currency Linked Note, Commodity Linked Note, Equity Linked Note, Fund Linked Note, Credit Linked Note or Long Maturity Note in definitive form becomes due and repayable, unmaturing Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A '**Long Maturity Note**' is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Fixed Interest Date on which the aggregate amount of interest

remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any Definitive Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant Definitive Note.

Payments of principal and interest (if any) in respect of Notes represented by any Global Note will (subject as provided below) be made in the manner specified above in relation to Definitive Notes and otherwise in the manner specified in the relevant Global Note against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made against presentation or surrender of such Global Note, distinguishing between any payment of principal and any payment of interest, will be made on such Global Note by such Paying Agent and such record shall be prima facie evidence that the payment in question has been made.

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg or Euroclear Netherlands as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear, Clearstream, Luxembourg or Euroclear Netherlands, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of such Global Note. No person other than the holder of such Global Note shall have any claim against the Issuer in respect of any payments due on that Global Note.

Notwithstanding the foregoing, U.S. dollar payments of principal and interest in respect of the Notes will be made at the specified office of a Paying Agent in the United States if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Notes in the manner provided above when due;
- (ii) payment of the full amount of such interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

(c) *Payment Day*

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay.

(d) *Interpretation of Principal and Interest*

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 13;
- (ii) the Final Redemption Amount of the Notes;
- (iii) the Early Redemption Amount of the Notes;
- (iv) the Optional Redemption Amount(s) (if any) of the Notes;
- (v) in relation to Instalment Notes, the Instalment Amounts;

- (vi) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 7(g)); and
- (vii) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under 13.

## 7. Redemption and Purchase

### (a) *At Maturity*

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms in the relevant Specified Currency on the Maturity Date.

### (b) *Redemption for Tax Reasons*

Unless otherwise specified in the applicable Final Terms, the Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time, on giving not less than 30 nor more than 60 days' notice to the Noteholders in accordance with Condition 19 (which notice shall be irrevocable) if;

- (i) on the occasion of the next payment due under the Notes, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 13 as a result of any change in, or amendment to, the laws or regulations of the Netherlands or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the Issue Date of the first Tranche of the Notes; and
- (ii) such obligation cannot be avoided by the Issuer taking reasonable measures available to it, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Agent a certificate signed a duly authorised representative of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment.

Notes redeemed pursuant to this Condition 7 will be redeemed at their Early Redemption Amount referred to in paragraph (e) below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

### (c) *Redemption at the Option of the Issuer (Issuer Call)*

If Issuer Call is specified in the applicable Final Terms, the Issuer may, subject to notification to the Luxembourg Stock Exchange and/or Euronext Amsterdam and having given:

- (i) not less than 15 nor more than 30 days' notice to the Noteholders in accordance with Conditions 19; and
- (ii) not less than 15 days before the giving of the notice referred to in (i), notice to the Agent,

(both of which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all or same only of the Notes then outstanding on the Optional Redemption Date(s) and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date(s).

Any such redemption must be of a nominal amount equal to the Minimum Redemption Amount or a Maximum Redemption Amount, both as indicated in the applicable Final Terms. In the case of a partial redemption of Notes, the Notes to be redeemed ('Redeemed Notes') will be selected individually by lot, in the case of Redeemed Notes represented by Definitive Notes, and in accordance with the rules of Euroclear, Clearstream, Luxembourg and/or

Euroclear Netherlands (to be reflected in the records of Euroclear, Clearstream, Luxembourg or Euroclear Netherlands as either a pool factor or a reduction in nominal amount, at their discretion), in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter referred to as the '**Selection Date**'). In the case of Redeemed Notes represented by Definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 19 not less than 15 days prior to the date fixed for redemption. The aggregate nominal amount of Redeemed Notes represented by Definitive Notes shall bear the same proportion to the aggregate nominal amount of all Redeemed Notes as the aggregate nominal amount of Definitive Notes outstanding bears to the aggregate nominal amount of the Notes outstanding, in each case on the Selection Date, provided that such first mentioned nominal amount shall, if necessary, be rounded downwards to the nearest integral multiple of the Specified Denomination, and the aggregate nominal amount of Redeemed Notes represented by a Global Note shall be equal to the balance of the Redeemed Notes. No exchange of the relevant Global Note will be permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this sub-paragraph (c) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 19 at least 5 days prior to the Selection Date.

*(d) Redemption at the Option of the Noteholders (Investor Put)*

Subject as provided in Condition 7(n), if Put Option is specified in the applicable Final Terms, upon the holder of any Note giving to the Issuer in accordance with Condition 19 not less than 15 nor more than 30 days' notice or such other period of notice as is specified in the applicable Final Terms (which notice shall be irrevocable), the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Final Terms, in whole (but not in part), such Note on the Optional Redemption Date and at the Optional Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date.

To exercise the right to require redemption of this Note the holder of this Note must, if this Note is in definitive form and held outside Euroclear, Clearstream, Luxembourg or Euroclear Netherlands, deliver, at the specified office of any Paying Agent at any time during normal business hours of such Paying Agent rolling within the notice period, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a '**Put Notice**') and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition accompanied by this Note or evidence satisfactory to the Paying Agent concerned that this Note will, following delivery of the Put Notice, be held to its order or under its control. If this Note is represented by a Global Note or is in definitive form and held through Euroclear, Clearstream, Luxembourg or Euroclear Netherlands, to exercise the right to require redemption of this Note the holder of this Note must, within the notice period, give notice to the Agent of such exercise in accordance with the standard procedures of Euroclear, Clearstream, Luxembourg and Euroclear Netherlands (which may include notice being given on his instruction by Euroclear, Clearstream, Luxembourg or Euroclear Netherlands or any common depository for them to the Agent by electronic means) in a form acceptable to Euroclear, Clearstream, Luxembourg and Euroclear Netherlands from time to time and, if this Note is represented by a Global Note, at the same time present or procure the presentation of the relevant Global Note to the Agent for notation accordingly.

Any Put Notice given by a holder of any Note pursuant to this paragraph shall be irrevocable except where prior to the due date of redemption an Event of Default shall have occurred and be continuing in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this paragraph and instead to declare such Note forthwith due and payable pursuant to Condition 15.

*(e) Redemption for illegality*

In the event that the Agent determines in good faith that the performance of the Issuer's obligations under the Notes or that any arrangements made to hedge the Issuer's obligations under the Notes has or will become unlawful, illegal or otherwise prohibited in whole or in part as a result of compliance with any applicable present or future law, rule, regulation, judgment, order or directive of any governmental, administrative, legislative or judicial authority or power, or in the interpretation thereof, the Issuer having given not less than ten (10) nor more than 30 days' notice to Noteholders in accordance with Condition 19 (which notice shall be irrevocable), may, on expiry of such notice redeem all, but not some only, of the Notes, each Note being redeemed at the Early Redemption Amount together (if appropriate) with interest accrued to (but excluding) the date of redemption.

*(f) Obligatory Redemption*

If Obligatory Redemption is specified as applicable in the applicable Final Terms, the Issuer has the obligation to redeem the Notes on the applicable Obligatory Redemption Date against payment of the applicable Obligatory Redemption Amount in accordance with the applicable Final Terms of the Notes.

*(g) Early Redemption Amounts*

For the purpose of paragraph (b) above and Condition 13, the Notes will be redeemed at the Early Redemption Amount calculated as follows:

- (i) in the case of a Note with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof; or
- (ii) in the case of a Note (other than a Zero Coupon Note but including an Instalment Note and Partly Paid Note) with a Final Redemption Amount which is or may be less or greater than the Issue Price or which is payable in a Specified Currency other than that in which the Notes are denominated at the amount specified in, or determined in the manner specified in, the applicable Final Terms or, if no such amount or manner is so specified in the applicable Final Terms at its nominal amount; or
- (iii) in the case of a Zero Coupon Note, at an amount (the '**Amortised Face Amount**') equal to the product of:
  - (A) the Reference Price; and
  - (B) the sum of the figure 1 and the Accrual Yield, raised to the power of x, where 'x' is a fraction the numerator of which is equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator of which is 360, or on such other calculation basis as may be specified in the applicable Final Terms.

*(h) Instalments*

Instalment Notes will be redeemed in the Instalment Amounts and on the Instalment Dates. In the case of early redemption, the Early Redemption Amount will be determined pursuant to paragraph (g) above.

*(i) Partly Paid Notes*

If the Notes are Partly Paid Notes, they will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of the applicable Final Terms.

*(j) Purchases*

The Issuer and any of its subsidiaries may at any time purchase Notes (provided that, in the case of Definitive Notes, all unmatured Receipts and Coupons and unexchanged Talons relating thereto are purchased therewith) at any price in the open market or otherwise. If purchases are made by tender, tenders must be available to all Noteholders alike. Such Notes may be held, reissued, resold or, at the option of the Issuer, surrendered to any Paying Agent for cancellation.

*(k) Cancellation*

All Notes which are redeemed will forthwith be cancelled (together with, in the case of Definitive Notes, all unmatured Receipts, Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and Notes purchased and cancelled pursuant to paragraph (i) above (together with, in the case of Definitive Notes, all unmatured Receipts, Coupons and Talons cancelled therewith) shall be forwarded to the Agent and cannot be reissued or resold.

*(l) Late payment on Zero Coupon Notes*

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to paragraph (a), (b), (c) or (d) above or upon its becoming due and repayable as provided in Condition 15 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount

calculated as provided in paragraph (g)(iii) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (ii) five days after the date on which the full amount of the moneys payable has been received by the Agent and notice to that effect has been given to the Noteholders, in accordance with Condition 19.

*(m) Deferral of Principal of Tier 3 Notes*

If this Note is a Tier 3 Note, principal will not be repayable on the due date thereof if and to the extent that at the time or as a result of such payment the Issuer's actual Own Funds would amount to less than 100 per cent. of the Issuer's required minimum amount of Own Funds under *Besluit Prudentiële Regels Wft*. Any principal not paid on the date on which such principal would otherwise be payable will be paid by the Issuer if and to the extent that the Issuer will meet the solvency test referred to in the previous sentence. Any arrears of principal will also become fully payable on the date of dissolution of the Issuer, the date on which the Issuer is declared bankrupt or the date on which emergency measures as referred to in Article 3:160 of the Act on Financial Supervision ("*Wet op het financieel toezicht*") is declared in respect of the Issuer. Where any amount of principal is paid in part, each part payment shall be made *pro rata* to the Tier 3 Noteholders. Any arrears of principal shall continue to bear interest at the applicable rate.

*(n) Redemption of Subordinated Notes*

Subordinated Notes may only be redeemed early upon receipt of the written approval of such redemption by the Dutch Central Bank.

## **8. Currency Linked Redemption Notes and Commodity Linked Redemption Notes**

Provisions relating to the redemption of Currency Linked Redemption Notes and Commodity Linked Redemption Notes will be set out in the applicable Final Terms.

## **9. Index Linked Notes**

*(a) Redemption of Index Linked Redemption Notes*

Unless previously redeemed or purchased and cancelled, each nominal amount of the Index Linked Redemption Notes equal to the lowest Specified Denomination set out in the applicable Final Terms will be redeemed by the Issuer on the Maturity Date at the Final Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms.

*(b) Adjustments to an Index and Additional Disruption Events*

(i) Successor Index Sponsor Calculates and Reports an Index

If a relevant Index is (A) not calculated and announced by the Index Sponsor but is calculated and announced by a successor sponsor acceptable to the Calculation Agent, or (B) replaced by a successor index using, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Index, then in each case that index (the '**Successor Index**') will be deemed to be the Index.

(ii) Modification and Cessation of Calculation of an Index

If (A) on or prior to the Valuation Date the relevant Index Sponsor makes or announces that it will make a material change in the formula for or the method of calculating a relevant Index or in any other way materially modifies that Index (other than a modification prescribed in that formula or method to maintain that Index in the event of changes in constituent stock and capitalisation, contracts or commodities and other routine events) (an '**Index Modification**') or permanently

cancels the Index and no Successor Index exists (an '**Index Cancellation**'), or (B) on the Valuation Date, the Index Sponsor or (if applicable) the successor Index Sponsor fails to calculate and announce a relevant Index (an '**Index Disruption**' and, together with an Index Modification and an Index Cancellation, each an '**Index Adjustment Event**'), then:

- (A) the Calculation Agent shall determine if such Index Adjustment Event has a material effect on the Notes and, if so, shall calculate the Reference Level using, in lieu of a published level for that Index, the level for that Index as at the Valuation Time on the Valuation Date as determined by the Calculation Agent in accordance with the formula for and method of calculating that Index last in effect prior to the change, failure or cancellation, but using only those securities/commodities that comprised that Index immediately prior to that Index Adjustment Event; or
- (B) the Issuer shall, on giving notice to the Noteholders in accordance with Condition 19, redeem all, but not some only, of the Notes, each nominal amount of Notes equal to the lowest Specified Denomination being redeemed at the Early Redemption Amount.

Upon the occurrence of an Index Adjustment Event, the Calculation Agent shall give notice as soon as practicable to Noteholders in accordance with Condition 19 giving details of the action proposed to be taken in relation thereto.

- (iii) If Additional Disruption Events are specified as applicable in the applicable Final Terms, then if an Additional Disruption Event occurs, the Issuer in its sole and absolute discretion may:

- (A) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of the Final Redemption Amount and/or the Strike Level and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms, and/or remove and/or substitute the affected Index, to account for the Additional Disruption Event and determine the effective date of that adjustment; or
- (B) give notice to the Noteholders in accordance with Condition 19 and redeem all, but not some only, of the Notes, each nominal amount of Notes equal to the lowest Specified Denomination being redeemed at the Early Redemption Amount.

Upon the occurrence of an Additional Disruption Event, the Issuer shall give notice as soon as practicable to the Noteholders in accordance with Condition 19 stating the occurrence of the Additional Disruption Event, as the case may be, giving details thereof and the action proposed to be taken in relation thereto.

- (iv) Correction of the Reference Level

In the event that any price or level published by the Index Sponsor which is utilised for any calculation or determination made under the Notes is subsequently corrected, the Calculation Agent will in its sole and absolute discretion adjust the terms of the Notes to account for such correction, provided that such correction is published and made available to the public by the Index Sponsor during a period following original publication equal in duration to the period in which a trade in futures or options contracts relating to the Index on the relevant Related Exchange would customarily settle according to the rules of such Related Exchange, or if there are multiple Related Exchanges in respect of the Index, the longest such period, and further provided, that such publication of such correction is made sufficiently (in the sole and absolute discretion of the Calculation Agent) in advance of the Maturity Date or the relevant Specified Interest Payment Date to make such adjustment prior to the Maturity Date or the relevant Specified Interest Payment Date, as the case may be.

(c) *Definitions applicable to Index Linked Notes*

**Additional Disruption Event** means Hedging Disruption, Increased Cost of Hedging or any other Additional Disruption Event, in each case if specified in the applicable Final Terms.

**Averaging Date** means, in respect of each Valuation Date, each date specified or otherwise determined as provided in the applicable Final Terms provided that, if any Averaging Date is a Disrupted Day, then:

- (i) if 'Omission' is specified in the applicable Final Terms, such Averaging Date will be deemed not to be a relevant Averaging Date for purposes of determining the relevant Reference Level. If no Averaging Date would occur with respect to the relevant Valuation Date, then for the purposes of determining the relevant level on the final Averaging Date, such Averaging Date shall be deemed to be a Valuation Date;
- (ii) if 'Postponement' is specified in the applicable Final Terms, then such Averaging Date shall be deemed to be a Valuation Date that was a Disrupted Day irrespective of whether, pursuant to such determination, that deferred Averaging Date would fall on a date that already is or is deemed to be an Averaging Date for the Index Linked Notes; or
- (iii) if 'Modified Postponement' is specified in the applicable Final Terms, then:

(A) where the Notes are specified in the applicable Final Terms to relate to a single Index, the Averaging Date shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day, unless each of the eight (8) Scheduled Trading Days immediately following the relevant Scheduled Valuation Date is a Disrupted Day. In that case (i) the eighth Scheduled Trading Day shall be deemed to be the Averaging Date, notwithstanding the fact that such day is a Disrupted Day, and (ii) the Calculation Agent shall determine the Reference Level in the manner set out in the applicable Final Terms or, if not set out or not practicable, determine the Reference Level by determining the level of the Index as of the Valuation Time on that eighth Scheduled Trading Day in accordance with the formula for and method of calculating the Index last in effect prior to the occurrence of the first Disrupted Day using the Exchange traded or quoted level as of the Valuation Time on that eighth Scheduled Trading Day of each security/commodity comprised in the Index (or, if an event giving rise to a Disrupted Day has occurred in respect of the relevant security/commodity on that eighth Scheduled Trading Day, its good faith estimate of the value for the relevant security/commodity as of the Valuation Time on that eighth Scheduled Trading Day); or

(B) where the Notes are specified in the applicable Final Terms to relate to a Basket of Indices, the Averaging Date for each Index not affected by the occurrence of a Disrupted Day shall be the Scheduled Valuation Date, and the Averaging Date for each Index affected by the occurrence of a Disrupted Day (each an '**Affected Index**') shall be the first succeeding Scheduled

Trading Day that is not a Disrupted Day relating to the Affected Index, unless each of the eight (8) Scheduled Trading Days immediately following the Scheduled Valuation Date is a Disrupted Day relating to the Affected Index. In that case (i) that eighth Scheduled Trading Day shall be deemed to be the Averaging Date for the Affected Index, notwithstanding the fact that such day is a Disrupted Day, and (ii) the Calculation Agent shall determine the Reference Level using, in relation to the Affected Index, the level of that Index determined in the manner set out in the applicable Final Terms or, if not set out or if not practicable, using the level of that Index as of the Valuation Time on that eighth Scheduled Trading Day in accordance with the formula for and method of calculating that Index last in effect prior to the occurrence of the first Disrupted Day using the Exchange traded or quoted level as of the Valuation Time on that eighth Scheduled Trading Day of each security/commodity comprised in that Index (or, if an event giving rise to a Disrupted Day has occurred in respect of the relevant security/commodity on that eighth Scheduled Trading Day, its good faith estimate of the value for the relevant security/commodity as of the Valuation Time on that eighth Scheduled Trading Day).

<b>Basket</b>	means a basket comprising two or more indices specified in the applicable Final Terms in the relative proportions specified in the applicable Final Terms.
<b>Disrupted Day</b>	means any Scheduled Trading Day on which (i) the Index Sponsor fails to publish the level of the Index; (ii) a relevant Exchange or any Related Exchange fails to open for trading during its regular trading session; or (iii) a Market Disruption Event has occurred.
<b>Exchange</b>	means, in relation to an Index, each exchange or quotation system specified as such for such Index in the applicable Final Terms, any successor to such exchange or quotation system or any substitute exchange or quotation system to which trading in the securities/commodities comprising such Index has temporarily relocated (provided that the Calculation Agent has determined that there is comparable liquidity relative to the securities/commodities comprising such Index on such temporary substitute exchange or quotation system as on the original Exchange).
<b>Exchange Business Day</b>	means any Scheduled Trading Day on which each Exchange and each Related Exchange are open for trading during their respective regular trading sessions, notwithstanding any such relevant Exchange or Related Exchange closing prior to its Scheduled Closing Time.
<b>Final Redemption Amount</b>	means the Final Redemption Amount specified in the applicable Final Terms or, if no such amount is specified in the applicable Final Terms, an amount equal to:

- (i) in the case of an Index Linked Note in respect of which Call Option is specified as applicable in the applicable Final Terms ('**Call Index Linked Redemption Note**').

$$\frac{\text{Reference Level}}{\text{Strike Level}} \times \text{Specified Denomination}; \text{ or}$$

- (ii) in the case of an Index Linked Note in respect of which Put Option is specified as applicable in the applicable Final Terms ('**Put Index Linked Redemption Note**').

$$\frac{\text{Strike Level}}{\text{Reference Level}} \times \text{Specified Denomination}$$

provided always that the Final Redemption Amount shall in no event be less than zero. The Final Redemption Amount will be rounded to the nearest two decimal places (or, in the case of Japanese yen, the nearest whole unit), in the Specified Currency, 0.005 (or, in the case of Japanese yen, half of one unit) being rounded upwards.

**Hedging Disruption**

means that the Issuer and/or any of its Affiliates is unable, after using commercially reasonable efforts, to (a) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the index or other price risk of the Issuer issuing and performing its obligations with respect to the Notes, or (b) realise, recover or remit the proceeds of any such transaction(s) or asset(s).

**Increased Cost of Hedging**

means that the Issuer and/or any of its Affiliates would incur a materially increased (as compared with circumstances existing on the Trade Date) amount of tax, duty, expense or fee (other than brokerage commissions) to (a) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the index or other price risk of the Issuer issuing and performing its obligations with respect to the Notes, or (b) realise, recover or remit the proceeds of any such transaction(s) or asset(s), provided that any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer and/or any of its Affiliates shall not be deemed an Increased Cost of Hedging.

**Index and Indices**

mean, subject to adjustment in accordance with Condition 9(b), the index or indices specified in the applicable Final Terms and related expressions shall be construed accordingly.

**Index Sponsor**

means, in relation to an Index, the corporation or other entity that (a) is responsible for setting and reviewing the rules and procedures and the methods of calculation and adjustments, if any, related to such Index and (b) announces (directly or through an agent) the level of such Index on a regular basis during each Scheduled Trading Day, which as of the Issue Date is the index sponsor specified for such Index in the applicable Final Terms.

**Initial Level**

means the level specified as such in the applicable Final Terms.

**Least Performer**

means, with respect to an Exchange Business Day during the Observation Period, the Index in respect of which the following formula yields, in the determination of the Calculation Agent, the smallest positive number or the largest negative

number, on such Exchange Business Day:

(Reference Level of the Index on the Exchange Business Day minus the Initial Level with respect to such Index) divided by the Initial Level with respect to such Index,

provided that if the above formula yields the same number with respect to two or more Indices the Calculation Agent shall determine the Least Performer.

**Market Disruption Event**

means, in respect of an Index:

- (i) the occurrence or existence at any time during the one hour period that ends at the relevant Valuation Time of:
  - (A) any suspension of or limitation imposed on trading by the relevant Exchange or Related Exchange or otherwise and whether by reason of movements in price exceeding limits permitted by the relevant Exchange or Related Exchange or otherwise:
    - (x) on any relevant Exchange(s) relating to securities/commodities that comprise 20 per cent. or more of the level of the relevant Index; or
    - (y) in futures or options contracts relating to the relevant Index on any relevant Related Exchange; or
  - (B) any event (other than an event described in (ii) below) that disrupts or impairs (as determined by the Calculation Agent) the ability of market participants in general (A) to effect transactions in, or obtain market values for, on any relevant Exchange(s) securities/commodities that comprise 20 per cent. or more of the level of the relevant Index, or (B) to effect transactions in, or obtain market values for, futures or options contracts relating to the relevant Index on any relevant Related Exchange,

which in either case the Calculation Agent determines is material; or

- (ii) the closure on any Exchange Business Day of any relevant Exchange(s) relating to securities/commodities that comprise 20 per cent. or more of the level of the relevant Index or any Related Exchange(s) prior to its Scheduled Closing Time unless such earlier closing time is announced by such Exchange(s) or such Related Exchange(s), as the case may be, at least one hour prior to the earlier of (A) the actual closing time for the regular trading session on such Exchange(s) or such Related Exchange(s) on such Exchange Business Day or, if earlier, (B) the submission deadline for orders to be entered into the Exchange or Related Exchange system for execution at the Valuation Time on such Exchange Business Day.

For the purposes of determining whether a Market Disruption Event in respect of an Index exists at any time, if a Market Disruption Event occurs in respect of a security/commodity included in the Index at any time, then the relevant percentage contribution of that security/commodity to the level of the Index shall

be based on a comparison of (i) the portion of the level of the Index attributable to that security/commodity and (ii) the overall level of the Index, in each case immediately before the occurrence of such Market Disruption Event.

**Multiplier**

means the weight of each of the Indices comprising the Basket, as specified in the applicable Final Terms.

**Observation Date(s)**

If such day is a Disrupted Day:

- (i) where the Notes are specified in the applicable Final Terms to relate to a single Index, the Observation Date shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day, unless each of the eight (8) Scheduled Trading Days immediately following the Scheduled Observation Date is a Disrupted Day. In that case, (i) the eighth Scheduled Trading Day shall be deemed to be the Observation Date, notwithstanding the fact that such day is a Disrupted Day and (ii) the Calculation Agent, shall, where practicable, determine the Reference Level in the manner set out in the applicable Final Terms, or if not set out or not so practicable, determine the Reference Level in accordance with its good faith estimate of the Reference Level as of the Valuation Time on that eighth Scheduled Trading Day; or
- (ii) where the Notes are specified in the applicable Final Terms to relate to a Basket of Indices, the Observation Date for each Index not affected by the occurrence of a Disrupted Day shall be the Scheduled Observation Date, and the Observation Date for each Index affected by the occurrence of a Disrupted Day (each an Affected Index) shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day relating to the Affected Index unless each of the eight (8) Scheduled Trading Days immediately following the Scheduled Observation Date is a Disrupted Day relating to the Affected Index. In that case, (i) the eighth Scheduled Trading Day shall be deemed to be the Observation Date for the Affected Index, notwithstanding the fact that such day is a Disrupted Day and (ii) the Calculation Agent shall where practicable, determine the Reference Level in the manner set out in the applicable Final Terms or, if not set out or if not so practicable, determine the Reference Level in accordance with its good faith estimate of the Reference Level as of the Valuation Time on that eighth Scheduled Trading Day.

**Reference Level**

means:

- (i) where the Notes are specified in the applicable Final Terms to relate to a single Index, an amount (which shall be deemed to be an amount of the Specified Currency) equal to the official closing level of the Index published by the Index Sponsor on the relevant date, as determined by the Calculation Agent (or if a Valuation Time other than the Scheduled Closing Time is specified in the applicable Final Terms, the level of the Index determined by the Calculation Agent at such Valuation Time on

the relevant date); and

- (ii) where the Notes are specified in the applicable Final Terms to relate to a Basket of Indices, an amount (which shall be deemed to be an amount of the Specified Currency) equal to the sum of the values calculated for each Index as the official closing level of each Index as published by the Index Sponsor on the relevant date, as determined by the Calculation Agent (or if a Valuation Time other than the Scheduled Closing Time is specified in the applicable Final Terms, the level of each Index determined by the Calculation Agent at such Valuation Time on the relevant date), multiplied by the relevant Multiplier specified in the applicable Final Terms.

**Related Exchange**

means, in relation to an Index, each exchange or quotation system specified as such for such Index in the applicable Final Terms, any successor to such exchange or quotation system or any substitute exchange or quotation system to which trading in futures or options contracts relating to such Index has temporarily relocated (provided that the Calculation Agent has determined that there is comparable liquidity relative to the futures or options contracts relating to such Index on such temporary substitute exchange or quotation system as on the original Related Exchange), provided that where 'All Exchanges' is specified as the Related Exchange in the applicable Final Terms, 'Related Exchange' shall mean each exchange or quotation system where trading has a material effect (as determined by the Calculation Agent) on the overall market for futures or options contracts relating to such Index.

**Strike Level**

means the level specified as such in the applicable Final Terms.

**Trade Date**

If such day is a Disrupted Day then:

- (i) where the Notes are specified in the applicable Final Terms to relate to a single Index, the Valuation Date shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day, unless each of the eight (8) Scheduled Trading Days immediately following the Scheduled Valuation Date is a Disrupted Day. In that case (i) the eighth Scheduled Trading

Day shall be deemed to be the Valuation Date, notwithstanding the fact that such day is a Disrupted Day, and (ii) the Calculation Agent, shall, where practicable, determine the Reference Level in the manner set out in the applicable Final Terms, or if not set out or not so practicable, determine the Reference Level in accordance with its good faith estimate of the Reference Level as of the Valuation Time on that eighth Scheduled Trading Day; or

- (ii) where the Notes are specified in the applicable Final Terms to relate to a Basket of Indices, the Valuation Date for each Index not affected by the occurrence of a Disrupted Day shall be the Scheduled Valuation Date, and the Valuation Date for each Index affected by the occurrence of a Disrupted Day (each an '**Affected Index**') shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day relating to the Affected Index, unless each of the eight (8) Scheduled Trading Days immediately following the Scheduled Valuation Date is a Disrupted Day relating to the Affected Index. **Valuation Time**

means the Valuation Time specified in the applicable Final Terms or, if no Valuation Time is specified, the Scheduled Closing Time on the relevant Exchange on the relevant date in relation to each Index to be valued. If the relevant Exchange closes prior to its Scheduled Closing Time and the specified Valuation Time is after the actual closing time for its regular trading session, then the Valuation Time shall be such actual closing time.

**10. Equity Linked Notes**

*(a) Redemption of Equity Linked Redemption Notes*

Unless previously redeemed or purchased and cancelled, each nominal amount of Equity Linked Redemption Notes equal to the lowest Specified Denomination set out in the applicable Final Terms will be redeemed by the Issuer on the Maturity Date (A) if Cash Settlement is specified in the applicable Final Terms, by payment of the Final Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms on the Maturity Date or (B) if Physical Delivery is specified in the applicable Final Terms, by delivery of the Asset Amount specified in, or determined in the manner specified in, the applicable Final Terms (subject as provided below) or (C) if Cash Settlement and/or Physical Delivery is specified in the applicable Final Terms, by payment of the Final Redemption Amount and/or by delivery of the Asset Amount on the terms set out in the applicable Final Terms, in each case on the Maturity Date (subject as provided below).

*(b) Potential Adjustment Events, De-listing, Merger Event, Tender Offer, Nationalisation and Insolvency, Additional Disruption Events and Adjustments for Equity Linked Notes in respect of Underlying Equities quoted in European Currencies*

- (i) If Potential Adjustment Events are specified as applicable in the applicable Final Terms, then following the declaration by an Equity Issuer of the terms of any Potential Adjustment Event, the Calculation Agent will, in its sole and absolute discretion, determine whether such Potential Adjustment Event has a diluting, concentrative or other effect on the theoretical value of the Underlying Equities and, if so, the Issuer may:

- (A) require the Calculation Agent to (1) make the corresponding adjustment, if any, to any one or more of the Final Redemption Amount and/or the Asset Amount and/or the Strike Price and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms and/or remove and/or substitute the affected Underlying Equity, in each case, as the Calculation Agent in its sole and absolute discretion determines appropriate to account for that diluting or concentrative effect (provided that no adjustments will be made to account solely for changes in volatility, expected dividends, stock loan rate or liquidity relative to the relevant Underlying Equity) and (2) determine the effective date of that adjustment; or
- (B) by giving notice to the Noteholders in accordance with Condition 19, redeem all, but not some only, of the Notes, each nominal amount of Notes equal to the Specified Denomination being redeemed at the Early Redemption Amount.

If the provisions of Condition 10(b)(i)(A) apply, the Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Underlying Equities traded on that options exchange.

Upon making an adjustment pursuant to Condition 10(b)(i)(A), the Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with Condition 19, stating the adjustment to the Final Redemption Amount and/or the Asset Amount and/or the Strike Price and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms and giving brief details of the Potential Adjustment Event.

- (ii) If (x) De-listing, Merger Event, Nationalisation and/or Insolvency is specified as applicable in the applicable Final Terms and/or (y) Tender Offer is specified as applicable in the applicable Final Terms, and (in the case of (x)) a De-listing, Merger Event, Nationalisation or Insolvency occurs or (in the case of (y)) a Tender Offer occurs, in each case, in relation to an Underlying Equity, the Issuer in its sole and absolute discretion may:

- (A) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of the Final Redemption Amount and/or the Asset Amount and/or the Strike Price and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms, and/or remove and/or substitute the affected Underlying Equity, to account for the De-listing, Merger Event, Tender Offer, Nationalisation or Insolvency, as the case may be, and determine the effective date of that adjustment; or
- (B) by giving notice to the Noteholders in accordance with Condition 19, redeem all, but not some only, of the Notes, each nominal amount of Notes equal to the Specified Denomination being redeemed at the Early Redemption Amount.

If the provisions of Condition 10(b)(ii)(A) apply, the Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment in respect of the De-listing, Merger Event, Tender Offer, Nationalisation or Insolvency, as the case may be, made by an options exchange to options on the Underlying Equities traded on that options exchange.

Upon the occurrence (if applicable) of a De-listing, Merger Event, Tender Offer, Nationalisation or Insolvency, the Calculation Agent shall give notice as soon as practicable to the Noteholders in accordance with Condition 19 stating the occurrence of the De-listing, Merger Event, Tender Offer, Nationalisation or Insolvency, as the case may be, giving details thereof and the action proposed to be taken in relation thereto.

(iii) If Additional Disruption Events are specified as applicable in the applicable Final Terms, then if an Additional Disruption Event occurs, the Issuer in its sole and absolute discretion may:

- (A) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of the Final Redemption Amount and/or the Asset Amount and/or the Strike Level and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms, and/or remove and/or substitute the affected Underlying Equity, to account for the Additional Disruption Event and determine the effective date of that adjustment; or

Upon the occurrence of an Additional Disruption Event, the Issuer shall give notice as soon as practicable to the Noteholders in accordance with Condition 19 stating the occurrence of the Additional Disruption Event, as the case may be, giving details thereof and the action proposed to be taken in relation thereto.

(iv) In respect of Equity Linked Redemption Notes relating to Underlying Equities originally quoted, listed and/or dealt as of the Trade Date in a currency of a member state of the European Union that has not adopted the single currency in accordance with the Treaty, if such Underlying Equities are at any time after the Trade Date quoted, listed and/or dealt exclusively in euro on the relevant Exchange or, where no Exchange is specified in the applicable Final Terms, the principal market on which those Underlying Equities are traded, then the Calculation Agent will adjust any one or more of the Final Redemption Amount and/or the Asset Amount and/or the Strike Level and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms as the Calculation Agent determines in its sole and absolute discretion to be appropriate to preserve the economic terms of the Notes. The Calculation Agent will make any conversion necessary for purposes of any such adjustment as of the Valuation Time at an appropriate mid-market spot rate of exchange determined by the Calculation Agent prevailing as of the Valuation Time. No adjustments under this Condition 10(b)(iv) will affect the currency denomination of any payment obligation arising out of the Notes.

(v) Correction of the Reference Price

In the event that any price or level published by an Exchange which is utilised for any calculation or determination made under the Notes is subsequently corrected, the Calculation Agent will in its sole and absolute discretion adjust the terms of the Notes to account for such correction, provided that such correction is published and made available to the public by the relevant Exchange during a period following original publication equal in duration to the period in which a trade in the Underlying Equity would customarily settle according to the rules of such Exchange, and further provided, that such publication of such correction is made sufficiently (in the sole and absolute discretion of the Calculation Agent) in advance of the Maturity Date or the Specified Interest Payment Date to make such adjustment prior to the Maturity Date or the relevant Specified Interest Payment Date, as the case may be.

(c) *Physical Delivery*

(i) If any Equity Linked Redemption Note is to be redeemed by delivery of the Asset Amount comprising the Relevant Asset, in order to obtain delivery of the Asset Amount(s) in respect of such Note:

- (A) if such Note is represented by a Global Note, the relevant Noteholder must deliver or have delivered to Euroclear, Clearstream, Luxembourg or Euroclear Netherlands (as applicable), with a copy to the Issuer, not later than the close of business in each place of receipt on the Cut-Off Date, a duly completed Asset Transfer Notice; and

- (B) if such Note is a Definitive Note, the relevant Noteholder must deliver such note to any Paying Agent, with a copy to the Issuer, not later than the close of business in each place of receipt on the Cut-Off Date, a duly completed Asset Transfer Notice (as defined below).

Forms of the Asset Transfer Notice may be obtained during normal business hours from the specified office of any Paying Agent.

An Asset Transfer Notice may only be delivered (i) if such Note is represented by a Global Note, in such manner as is acceptable to Euroclear, Clearstream, Luxembourg or Euroclear Netherlands, as the case may be, or (ii) if such Note is a Definitive Note, in writing or by tested telex.

If this Note is a Definitive Note, it must be delivered together with the duly completed Asset Transfer Notice.

An Asset Transfer Notice must:

- (1) specify the name and address of the relevant Noteholder, the person from whom the Issuer may obtain details for the delivery of the Asset Amount and any details required for delivery of the Asset Amount set out in the applicable Final Terms;
- (2) in the case of Notes represented by a Global Note, specify the nominal amount of Notes which are the subject of such notice and the number of the Noteholder's account at Euroclear, Clearstream, Luxembourg or Euroclear Netherlands, as the case may be, to be debited with such Notes and irrevocably instruct and authorise Euroclear, Clearstream, Luxembourg or Euroclear Netherlands, as the case may be, to debit the relevant Noteholder's account with such Notes on or before the Delivery Date (as defined below);
- (3) include an undertaking to pay all Delivery Expenses (as defined below) and, in the case of Notes represented by a Global Note, an authority to debit a specified account of the Noteholder at Euroclear, Clearstream, Luxembourg or Euroclear Netherlands, as the case may be, in respect thereof and to pay such Delivery Expenses;
- (4) specify an account to which dividends (if any) payable pursuant to this Condition 10 or any other cash amounts specified in the applicable Final Terms as being payable are to be paid; and
- (5) authorise the production of such notice in any applicable administrative or legal proceedings.

No Asset Transfer Notice may be withdrawn after receipt thereof by Euroclear, Clearstream, Luxembourg or Euroclear Netherlands, Luxembourg or a Paying Agent, as the case may be, as provided above. After delivery of Asset Transfer Notice, the relevant Noteholder may not transfer the Notes which are the subject of such notice.

In the case of Notes represented by a Global Note, upon receipt of such notice, Euroclear, Clearstream, Luxembourg or Euroclear Netherlands, as the case may be, shall verify that the person specified therein as the Noteholder is the holder of the specified nominal amount of Notes according to its books.

Failure properly to complete and deliver an Asset Transfer Notice may result in such notice being treated as null and void. Any determination as to whether such Asset Transfer Notice has been properly completed and delivered as provided in these Terms and Conditions shall be made, in the case of Notes represented by a Global Note, by Euroclear, Clearstream, Luxembourg or Euroclear Netherlands, as the case may be, after consultation with the

Issuer and shall be conclusive and binding on the Issuer and the relevant Noteholder and, in the case of Definitive Notes, by the relevant Paying Agent, after consultation with the Issuer, and shall be conclusive and binding on the Issuer and the relevant Noteholder.

Delivery of the Asset Amount in respect of each Note shall be made at the risk of the relevant Noteholder in such commercially reasonable manner as the Calculation Agent shall in its sole discretion determine and notify to the person designated by the Noteholder in the relevant Asset Transfer Notice or in such manner as is specified in the applicable Final Terms.

In relation to each Note which is to be redeemed by delivery of the Asset Amount, the Asset Amount will be delivered at the risk of the relevant Noteholder, in the manner provided above on the Maturity Date (such date, subject to adjustment in accordance with this Condition, the '**Delivery Date**'), provided that the Asset Transfer Notice is duly delivered to Euroclear, Clearstream, Luxembourg or Euroclear Netherlands or a Paying Agent, as the case may be, with a copy to the Issuer, as provided above, not later than the close of business in each place of receipt on the Cut-Off Date specified in the applicable Final Terms.

If a Noteholder fails to give an Asset Transfer Notice as provided herein with a copy to the Issuer, not later than the close of business in each place of receipt on the Cut-Off Date, then the Asset Amount will be delivered as soon as practicable after the Maturity Date (in which case, such date of delivery shall be the Delivery Date) at the risk of such Noteholder in the manner provided above. For the avoidance of doubt, in such circumstances such Noteholder shall not be entitled to any payment, whether of interest or otherwise, as a result of such Delivery Date falling after the originally designated Delivery Date and no liability in respect thereof shall attach to the Issuer.

- (ii) All Delivery Expenses arising from the delivery of the Asset Amount in respect of such Notes shall be for the account of the relevant Noteholder and no delivery of the Asset Amount shall be made until all Delivery Expenses have been paid to the satisfaction of the Issuer by the relevant Noteholder.

After delivery of the Asset Amount and for the Intervening Period, none of the Issuer, the Calculation Agent nor any other person shall at any time (i) be under any obligation to deliver or procure delivery to any Noteholder any letter, certificate, notice, circular or any other document or, except as provided herein, payment whatsoever received by that person in respect of such securities or obligations, (ii) be under any obligation to exercise or procure exercise of any or all rights attaching to such securities or obligations or (iii) be under any liability to a Noteholder in respect of any loss or damage which such Noteholder may sustain or suffer as a result, whether directly or indirectly, of that person being registered during such Intervening Period as legal owner of such securities or obligations.

If, prior to the delivery of the Asset Amount in accordance with this Condition, a Settlement Disruption Event is subsisting, then the Delivery Date in respect of such Note shall be postponed until the date on which no Settlement Disruption Event is subsisting and notice thereof shall be given to the relevant Noteholder, in accordance with Condition 19. Such Noteholder shall not be entitled to any payment, whether of interest or otherwise, on such Note as a result of any delay in the delivery of the Asset Amount pursuant to this paragraph. Where delivery of the Asset Amount has been postponed as provided in this paragraph the Issuer shall not be in breach of these Terms and Conditions and no liability in respect thereof shall attach to the Issuer.

For so long as delivery of the Asset Amount in respect of any Note is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof, the Issuer may elect in its sole discretion to

satisfy its obligations in respect of the relevant Note by payment to the relevant Noteholder of the Disruption Cash Settlement Price not later than on the third Business Day following the date that the notice of such election (the '**Election Notice**') is given to the Noteholders in accordance with Condition 19. Payment of the Disruption Cash Settlement Price will be made in such manner as shall be notified to the Noteholders in accordance with Condition 19.

Where the Asset Amount is, in the determination of the Issuer, an amount other than an amount of Relevant Assets capable of being delivered, the Noteholders will receive an Asset Amount comprising of the nearest number (rounded down) of Relevant Assets capable of being delivered by the Issuer (taking into account that a Noteholder's entire holding may be aggregated at the Issuer's discretion for the purpose of delivering the Asset Amounts), and an amount in the Specified Currency which shall be the value of the amount of the Relevant Assets so rounded down, as calculated by the Calculation Agent in its sole discretion from such source(s) as it may select (converted if necessary into the Specified Currency by reference to such exchange rate as the Calculation Agent deems appropriate). Payment will be made in such manner as shall be notified to the Noteholders in accordance with Condition 19.

For the purposes of the Notes (i) the Issuer shall be under no obligation to register or procure the registration of any Noteholder or any other person as the registered shareholder in the register of members of any Equity Issuer, (ii) the Issuer shall not be obliged to account to any Noteholder or any other person for any entitlement received or that is receivable in respect of any Underlying Equities comprising the Asset Amount in respect of any Note if the date on which the Underlying Equities are first traded on the relevant Exchange such entitlement is on or prior to the Maturity Date and (iii) any interest, dividend or other distribution in respect of any Asset Amount will be payable to the party that would receive such interest, dividend or other distribution according to market practice for a sale of the relevant Underlying Equity executed on the Delivery Date and to be delivered in the same manner as the Asset Amount. Any such interest, dividend or other distribution to be paid to a Noteholder shall be paid to the account specified in the relevant Asset Transfer Notice.

- (iii) If, in the opinion of the Calculation Agent, it is impossible or impracticable to deliver, when due, some or all of the Relevant Assets comprising the Asset Amount (the '**Affected Relevant Assets**') due to illiquidity in the market for the Relevant Assets (a '**Failure to Deliver**'), then:
- (A) subject as provided elsewhere in these Terms and Conditions and/or the applicable Final Terms, any Relevant Assets which are not Affected Relevant Assets, will be delivered *pro rata* on the originally designated Delivery Date in accordance with this Condition 10(c); and
  - (B) in respect of any Affected Relevant Assets, in lieu of physical settlement and notwithstanding any other provision hereof, the Issuer may elect in its sole discretion, in lieu of delivery of the Affected Relevant Assets, to pay to the Noteholder the Failure to Deliver Settlement Price (as defined below) on the fifth Business Day following the date on which the Failure to Deliver Notice (as defined below) is given to the Noteholders in accordance with Condition 19. Payment of the Failure to Deliver Settlement Price will be made in such manner as shall be notified to the Noteholders in accordance with Condition 19. The Issuer shall give notice (such notice a '**Failure to Deliver Notice**') as soon as reasonably practicable to the Noteholders in accordance with Condition 19 that the provisions of this Condition 10(c)(iii) apply.

In the case of a Qualifying Guarantee and an Underlying Obligation, references to the Reference Entity in the initial paragraph and subparagraphs (i) to (v) of the definition of Restructuring shall be deemed to refer to the Underlying Obligor and the reference to the Reference Entity in the second paragraph of this definition of Restructuring shall continue to refer to the Reference Entity.

<b>Restructuring Date</b>	means, with respect to a Restructured Bond or Loan, the date on which a Restructuring is legally effective in accordance with the terms of the documentation governing such Restructuring.
<b>Restructuring Maturity Limitation Date</b>	means the date that is the earlier of (i) 30 months following the Restructuring Date and (ii) the latest final maturity date of any Restructured Bond or Loan, provided, however, that under no circumstances shall the Restructuring Maturity Limitation Date be earlier than the Scheduled Maturity Date or later than 30 months following the Scheduled Maturity Date and if it is, it shall be deemed to be the Scheduled Maturity Date or 30 months following the Scheduled Maturity Date, as the case may be.
<b>Settlement Currency</b>	means the currency specified as such in the applicable Final Terms, or if no currency is specified in the applicable Final Terms, the Specified Currency of the Notes.
<b>Settlement Date</b>	means the last day of the longest Physical Settlement Period following the satisfaction of Conditions to Settlement (the ' <b>Scheduled Settlement Date</b> ') Provided That if a Hedge Disruption Event has occurred and is continuing on the second Business Day immediately preceding the Scheduled Settlement Date, the Settlement Date shall be the earlier of (i) the second Business Day following the date on which no Hedge Disruption Event subsists and (ii) the day falling 60 Business Days following the Scheduled Settlement Date.

Category or Deliverable Obligation Characteristics after such Restructuring.

**Specified Number**

means the number of Public Source(s) specified in the applicable Final Terms, or if no number is specified in the applicable Final Terms, two (2).

**Substitute Reference Obligation**

means one or more obligations of the Reference Entity (either directly or as provider of a Qualifying Affiliate Guarantee or, if All Guarantees is specified as applicable in the applicable Final Terms, as provider of any Qualifying Guarantee) that will replace one or more Reference Obligations, identified by the Calculation Agent in accordance with the following procedures:

- (i) In the event that:
  - (A) a Reference Obligation is redeemed in whole; or
  - (B) in the opinion of the Calculation Agent (A) the aggregate amounts due under any Reference Obligation have been materially reduced by redemption or otherwise (other than due to any scheduled redemption, amortisation or prepayments), (B) any Reference Obligation is an Underlying Obligation with a Qualifying Guarantee of a Reference Entity and, other than due to the existence or occurrence of a Credit Event, the Qualifying Guarantee is no longer a valid and binding obligation of such Reference Entity enforceable in accordance with its terms or (C) for any other reason, other than due to the existence or occurrence of a Credit Event, any Reference Obligation is no longer an obligation of a Reference Entity, the Calculation Agent shall identify one or more Obligations to replace such Reference Obligation.
- (ii) Any Substitute Reference Obligation or Substitute Reference Obligations shall be an Obligation that (1) ranks *pari passu* (or, if no such Obligation exists, then, at the Issuer's option, an Obligation that ranks senior) in priority of payment with such Reference Obligation (with the ranking in priority of payment of such Reference Obligation being determined as of the later of (A) the Trade Date and (B) the date on which such Reference Obligation was issued or incurred and not reflecting any change to such ranking in priority of payment after such later date), (2) preserves the economic equivalent, as closely as practicable as determined by the Calculation Agent of the delivery and payment obligations of the Issuer and (3) is an obligation of a Reference Entity (either directly or as provider of a Qualifying Affiliate Guarantee or, if All Guarantees is specified as applicable in the applicable Final Terms, as provider of any Qualifying Guarantee). The Substitute Reference Obligation or Substitute Reference Obligations identified by the Calculation Agent shall, without further action, replace such Reference Obligation or Reference Obligations.
- (iii) If more than one specific Reference Obligation is identified as a Reference Obligation in relation to a Series, any of the events set forth in paragraph (a) above has occurred with respect to one or more but not all of the Reference Obligations, and the Calculation Agent determines that no Substitute Reference Obligation is available for one or more of such Reference Obligations, each Reference Obligation for which no Substitute Reference Obligation is available shall cease to be a Reference Obligation.
- (iv) If more than one specific Reference Obligation is identified as a Reference Obligation in relation to a Series, any of the events set forth in paragraph (a)

above has occurred with respect to all of the Reference Obligations, and the Calculation Agent determines that at least one Substitute Reference Obligation is available for any such Reference Obligation, then each such Reference Obligation shall be replaced by a Substitute Reference Obligation and each Reference Obligation for which no Substitute Reference Obligation is available will cease to be a Reference Obligation.

- (v) If:
  - (A) more than one specific Reference Obligation is identified as a Reference Obligation in relation to a Series, any of the events set forth in paragraph (a) above has occurred with respect to all of the Reference Obligations and the Calculation Agent determines that no Substitute Reference Obligation is available for any of the Reference Obligations; or
  - (B) only one specific Reference Obligation is identified as a Reference Obligation in relation to a Series, any of the events set forth in paragraph (a) above has occurred with respect to such Reference Obligation and the Calculation Agent determines that no Substitute Reference Obligation is available for that Reference Obligation, then the Calculation Agent shall continue to attempt to identify a Substitute Reference Obligation until the later of (A) the Scheduled Maturity Date, (B) the Grace Period Extension Date (if any) and (C) the Repudiation/Moratorium Evaluation Date (if any). If (i) either Cash Settlement is specified in the applicable Final Terms and the Credit Event Redemption Amount is determined by reference to a Reference Obligation or Physical Delivery is specified in the applicable Final Terms and the Reference Obligation is the only Deliverable Obligation and (ii) on or prior to the later of (A) the Scheduled Maturity Date, (B) the Grace Period Extension Date or (C) the Repudiation/Moratorium Evaluation Date, a Substitute Reference Obligation has not been identified, the Issuer's obligations under the Notes shall cease as of the later of (A) the Scheduled Maturity Date, (B) the Grace Period Extension Date or (C) the Repudiation/Moratorium Evaluation Date.
- (vi) For the purposes of identification of a Reference Obligation, any change in the Reference Obligation's CUSIP or ISIN number or other similar identifier will not, in and of itself, convert such Reference Obligation into a different Obligation.

**Succession Event**

means an event such as a merger, de-merger, consolidation, amalgamation, transfer of assets or liabilities, spin off or other similar event in which one entity succeeds to the obligations of another entity, whether by operation of law or pursuant to any agreement. Notwithstanding the foregoing, 'Succession Event' shall not include an event in which the holders of obligations of the Reference Entity exchange such obligations for the obligations of another entity, unless such exchange occurs in connection with a merger, demerger, consolidation, amalgamation, transfer of assets or liabilities, spin-off or other similar event.

**Successor**

means:

- (i) in relation to a Reference Entity that is not a Sovereign, the entity or entities, if any, determined as set forth below:

- (A) if one entity directly or indirectly succeeds to 75 per cent. or more of the Relevant Obligations of the Reference Entity by way of a Succession Event, that entity will be the sole Successor;
  - (B) if only one entity directly or indirectly succeeds to more than 25 per cent. (but less than 75 per cent.) of the Relevant Obligations of the Reference Entity by way of a Succession Event, and not more than 25 per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entity that succeeds to more than 25 per cent. of the Relevant Obligations will be the sole Successor;
  - (C) if more than one entity each directly or indirectly succeed to more than 25 per cent. of the Relevant Obligations of the Reference Entity by way of a Succession Event, and not more than 25 per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entities that succeed to more than 25 per cent. of the Relevant Obligations will each be a Successor and these Terms and Conditions and/or the applicable Final Terms will be adjusted as provided below;
  - (D) if one or more entity each directly or indirectly succeed to more than 25 per cent. of the Relevant Obligations of the Reference Entity by way of a Succession Event, and more than 25 per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, each such entity and the Reference Entity will each be a Successor and these Terms and Conditions and/or the applicable Final Terms will be adjusted as provided below;
  - (E) if one or more entities directly or indirectly succeed to a portion of the Relevant Obligations of the Reference Entity by way of a Succession Event, but no entity succeeds to more than 25 per cent. of the Relevant Obligations of the Reference Entity and the Reference Entity continues to exist, there will be no Successor and the Reference Entity will not be changed in any way as a result of the Succession Event; and
  - (F) if one or more entities directly or indirectly succeed to a portion of the Relevant Obligations of the Reference Entity by way of a Succession Event, but no entity succeeds to more than 25 per cent. of the Relevant Obligations of the Reference Entity and the Reference Entity ceases to exist, the entity which succeeds to the greatest percentage of Relevant Obligations (or, if two or more entities succeed to an equal percentage of Relevant Obligations, the entity from among those entities which succeeds to the greatest percentage of obligations of the Reference Entity) will be the sole Successor; and
- (ii) in relation to a Sovereign Reference Entity, any direct or indirect successor(s) to that Reference Entity irrespective of whether such successor(s) assumes any of the obligations of such Reference Entity.

In the case of (i) above, the Calculation Agent will be responsible for determining, as soon as reasonably practicable after it becomes aware of the relevant Succession Event (but no earlier than 14 calendar days after the legally effective date of the Succession Event), and with effect from the legally effective date of the Succession Event, whether the relevant thresholds set forth above have been met, or which entity qualifies under (i)(D) above, as applicable. In calculating the percentages used to

determine whether the relevant thresholds set forth above have been met, or which entity qualifies under (iv)(F) above, as applicable, the Calculation Agent shall use, in respect of each applicable Relevant Obligation included in such calculation, the amount of the liability in respect of such Relevant Obligation listed in the Best Available Information and shall, as soon as practicable after such calculation, make such calculation available for inspection by Noteholder(s) at the specified office of the Agent and, for so long as the Notes are listed on the Luxembourg Stock Exchange, at the office of the Paying Agent in Luxembourg.

Where pursuant to paragraph (i)(C) or (i)(D) above, more than one Successor has been identified, the Calculation Agent shall adjust such of the Terms and Conditions and/or the applicable Final Terms as it in its sole and absolute discretion acting in a commercially reasonable manner shall determine to be appropriate to reflect that the relevant Reference Entity has been succeeded by more than one Successor and shall determine the effective date of that adjustment. The Calculation Agent shall be deemed to be acting in a commercially reasonable manner if it adjusts such of the Terms and Conditions and/or the applicable Final Terms in such a manner as to reflect the adjustment to and/or division of any credit derivative transaction(s) related to or underlying the Notes under the provisions of the 2003 ISDA Credit Derivatives Definitions.

Upon the Calculation Agent making such adjustment, the Issuer shall give notice as soon as practicable to Noteholders in accordance with Condition 19, stating the adjustment to the Terms and Conditions and/or the applicable Final Terms and giving brief details of the relevant Succession Event.

For the purposes of this definition of '**Successor**', '**succeed**' means, with respect to a Reference Entity and its Relevant Obligations (or, as applicable, obligations), that a party other than such Reference Entity (i) assumes or becomes liable for such Relevant Obligations (or, as applicable, obligations) whether by operation of law or pursuant to any agreement or (ii) issues Bonds that are exchanged for Relevant Obligations (or, as applicable, obligations), and in either case such Reference Entity is no longer an obligor (primarily or secondarily) or guarantor with respect to such Relevant Obligations (or, as applicable, obligations). The determinations required pursuant to paragraph (a) of this definition of 'Successor' shall be made, in the case of an exchange offer, on the basis of the Outstanding Principal Balance of Relevant Obligations tendered and accepted in the exchange and not on the basis of the Outstanding Principal Balance of Bonds for which Relevant Obligations have been exchanged.

Where:

- (i) a Reference Obligation is specified in the applicable Final Terms; and
- (ii) one or more Successors to the Reference Entity have been identified; and
- (iii) any one or more such Successors have not assumed the Reference Obligation,

a Substitute Reference Obligation will be determined in accordance with the definition of 'Substitute Reference Obligation' above.

**Unwind Costs**

means the amount specified in the applicable Final Terms or if '**Standard Unwind Costs**' are specified in the applicable Final Terms, an amount determined by the Calculation Agent equal to the sum of (without duplication) all costs, expenses (including loss of funding), tax and duties incurred by the Issuer in connection with the redemption of the Notes and the related termination, settlement or re-establishment of any hedge or related trading position, such amount to be apportioned *pro rata* amongst each nominal amount of Notes in the Specified Denomination.

**Valuation Date**

means (a) where Physical Delivery is specified as applicable in the applicable Final Terms the day falling three (3) Business Days after the Final Delivery Date, or (b) where Cash Settlement is specified as applicable in the applicable Final Terms, if 'Single Valuation Date' is specified in the applicable Final Terms, the date that is the number of Business Days specified in the Final Terms after the Credit Event Determination Date or, if the number of Business Days is not so specified, five (5) Business Days after the Credit Event Determination Date, and if 'Multiple Valuation Dates' is specified in the applicable Final Terms, each of the following dates:

- (ii) each successive date that is the number of Business Days specified in the applicable Final Terms (or if the number of Business Days is not so specified, five (5) Business Days) after the date on which the Calculation Agent obtains a Market Value with respect to the immediately preceding Valuation Date.

When 'Multiple Valuation Dates' is specified in the applicable Final Terms, the total number of Valuation Dates shall be equal to the number of Valuation Dates specified in the applicable Final Terms (or, if the number of Valuation Dates is not so specified, five (5) Valuation Dates).

If neither Single Valuation Date nor Multiple Valuation Dates is specified in the applicable Final Terms, Single Valuation Date shall apply.

**Valuation Method**

- (ii) The following Valuation Methods may be specified in the applicable Final Terms for a Series with only one Reference Obligation and more than one Valuation Date:
  - (A) '**Average Market**' means the unweighted arithmetic mean of the Market Values determined by the Calculation Agent with respect to each Valuation Date; or
  - (B) '**Highest**' means the highest Quotation obtained by the Calculation Agent with respect to any Valuation Date; or
  - (C) '**Average Highest**' means the unweighted arithmetic mean of the highest Quotations obtained by the Calculation Agent with respect to each Valuation Date.

If no such Valuation Method is specified in the applicable Final Terms, the Valuation Method shall be Blended Highest.

- (iv) The following Valuation Methods may be specified in the applicable Final Terms for a Series with more than one Reference Obligation and more than one Valuation Date:
  - (A) '**Average Blended Market**' means, using values with respect to each Valuation Date determined by the Calculation Agent in accordance with the Blended Market Valuation Method, the unweighted arithmetic mean of the values so determined with respect to each Valuation Date; or
  - (B) '**Average Blended Highest**' means, using values with respect to each Valuation Date determined by the Calculation Agent in accordance with the Blended Highest Valuation Method, the unweighted arithmetic mean of the values so determined with respect to each Valuation Date.

If no such Valuation Method is specified in the applicable Final Terms, the Valuation Method shall be Average Blended Highest.

Notwithstanding paragraphs (i) to (iv) above, if Quotations include Weighted Average Quotations or fewer than two (2) Full Quotations, the Valuation Method shall be Market, Average Market, Blended Market or Average Blended Market, as the case may be.

**Valuation Time** means the time specified as such in the applicable Final Terms or, if no time is so specified, 11.00 a.m. in the principal trading market for the Reference Obligation.

**Weighted Average Quotation** means in accordance with the Quotation Method, the weighted average of firm quotations obtained from Quotation Dealers at the Valuation Time, to the extent reasonably practicable, each for an amount of the Reference Obligation with an Outstanding Principal Balance of as large a size as available but less than the Quotation Amount (but, if a Minimum Quotation Amount is specified in the applicable Final Terms, of a size equal to the Minimum Quotation Amount or, if quotations of a size equal to the Minimum Quotation Amount are not available, quotations as near in size as practicable to the Minimum Quotation Amount) that in aggregate are approximately equal to the Quotation Amount.

If Condition 12(k) is specified as applicable in the applicable Final Terms, then, notwithstanding anything to the contrary in these Terms and Conditions, upon the occurrence of a Restructuring Credit Event during the Notice Delivery Period:

- (i) the Calculation Agent may deliver a Credit Event Notice in respect of an amount (the '**Partial Redemption Amount**') that is less than the principal amount outstanding of each Note immediately prior to the delivery of such Credit Event Notice. In such circumstances the provisions of Condition 12 shall be deemed to apply to the Partial Redemption Amount only and each such Note shall be redeemed in part (such redeemed part being equal to the Partial Redemption Amount).
- (ii) For the avoidance of doubt (i) the principal amount of each such Note not so redeemed in part shall remain outstanding and interest shall accrue on the principal amount outstanding of such Note as provided in Condition 5 (adjusted in such manner as the Calculation Agent in its sole and absolute discretion determines to be appropriate), (ii) the provisions of Condition 6 shall apply to such principal amount outstanding of such Note in the event that subsequent Credit Event Notices are delivered in respect of the Reference Entity that was the subject of the Restructuring Credit Event and (iii) once a Credit Event Notice with respect to a Restructuring Credit Event has been delivered in respect of a Reference Entity, no further Credit Event Notices may be delivered in respect of any Reference Entity other than the Reference Entity that was the subject of the Restructuring Credit Event.

*(l) Provisions relating to Multiple Holder Obligation*

If Condition 12(l) is specified as applicable in the applicable Final Terms, notwithstanding anything to the contrary in the definition of Restructuring and related provisions, the occurrence of, agreement to, or announcement of, any of the events described in sub-paragraphs (i) to (v) of the definition of 'Restructuring' shall not be a Restructuring unless the Obligation in respect of any such events is a Multiple Holder Obligation.

(m) *Calculation Agent and Calculation Agent Notices*

The determination by the Calculation Agent of any amount or of any state of affairs, circumstance, event or other matter, or the formation of any opinion or the exercise of any discretion required or permitted to be determined, formed or exercised by the Calculation Agent pursuant to this Condition 12 shall (in the absence of manifest error) be final and binding on the Issuer and the Noteholders. Whenever the Calculation Agent is required to make any determination it may, *inter alia*, decide issues of construction and legal interpretation. In performing its duties pursuant to the Notes, the Calculation Agent shall act in its sole and absolute discretion. Any delay, deferral or forbearance by the Calculation Agent in the performance or exercise of any of its obligations or its discretion under the Notes including, without limitation, the giving of any notice by it to any person, shall not affect the validity or binding nature of any later performance or exercise of such obligation or discretion, and neither the Calculation Agent nor the Issuer shall, in the absence of wilful misconduct and gross negligence, bear any liability in respect of, or consequent upon, any such delay, deferral or forbearance.

### 13. Taxation

All payments of principal and interest in respect of the Notes, Receipts and Coupons by the Issuer will be made without withholding or deduction for or on account of any present or future taxes or duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of the Netherlands or any political subdivision or any authority thereof or therein having power to tax, unless such withholding or deduction is required by law. In such event, the Issuer will, depending on which provision is specified in the applicable Final Terms, either

- (a) make the required withholding or deduction of such taxes, duties, assessments or governmental charges for the account of the holders of the Notes, Receipts or Coupons, as the case may be, and shall not pay any additional amounts to the holders of the Notes, Receipts or Coupons or
- (b) pay such additional amounts as shall be necessary in order that the net amounts received by the holders of the Notes, Receipts or Coupons after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes, Receipts or Coupons, as the case may be, in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:
  - (i) presented for payment by or on behalf of a Noteholder, Receiptholder or Couponholder who is liable for such taxes or duties in respect of such Note, Receipt or Coupon by reason of his having some connection with the Netherlands other than the mere holding of such Note, Receipt or Coupon or the receipt of principal or interest in respect thereof; or
  - (ii) presented for payment by or on behalf of a Noteholder, Receiptholder or Couponholder who would not be liable or subject to the withholding or deduction by making a declaration of nonresidence or other similar claim for exemption to the relevant tax authority; or
  - (iii) presented for payment more than 30 days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth day (assuming that day to have been a payment Day as defined in Condition 6(c)); or
  - (iv) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to any European Union Directive on the taxation of savings implementing the

conclusions of the ECOFIN Council meeting of 26th-27th November, 2000 or any law implementing or complying with, or introduced in order to conform to, such Directive; or

- (v) presented for payment by or on behalf of a holder who would be able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union.

As used herein, the '**Relevant Date**' means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Agent on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 19. If this Note is a Tier 3 Note, to the extent that any amount is not payable or repayable pursuant to Condition 5(g) or 7(m), the Relevant Date shall be the date on which any such amount becomes first payable or repayable.

#### **14. Prescription**

The Notes, Receipts and Coupons will become void unless presented for payment within a period of five years after the date on which such payment first becomes due.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 6(b) or any Talon which would be void pursuant to Condition 6(b).

#### **15. Events of Default**

If in the case of any Senior Notes one or more of the following events (or in the case of any Subordinated Notes, either or both of the events specified in (iv) and (v)) (each an '**Event of Default**') shall have occurred and be continuing:

- (i) default is made for more than 14 days in the payment of interest or principal in respect of the Notes; or
- (ii) the Issuer fails to perform or observe any of its other obligations under the Notes and such failure has continued for the period of 30 days next following the service on the Issuer of notice requiring the same to be remedied; or
- (iii) the Issuer fails in the due repayment of borrowed money in excess of € 15,000,000 and such failure continues for a period of 14 days after notice of such failure has been received by the Issuer, provided that no event of default shall be deemed to have occurred if the Issuer shall contest its liability in good faith or shall have been ordered not to make such a payment by a competent court; or
- (iv) the Issuer is declared bankrupt or emergency measures as referred to in Article 3:160 of the Act on Financial Supervision ("*Wet op het financieel toezicht*") are declared in respect of the Issuer; or
- (v) an order is made or an effective resolution is passed for the winding up or liquidation of the Issuer unless this is done in connection with a merger, consolidation or other form of combination with another company and such company assumes all obligations contracted by the Issuer in connection with the Notes;

then any Noteholder may, by written notice to the Issuer at the specified office of the Agent, effective upon the date of receipt thereof by the Agent, declare the Note held by the holder to be forthwith due and payable whereupon the same shall become forthwith due and payable at its Early Redemption Amount, together with accrued interest (if any) to the date of repayment, without presentment, demand, protest or other notice of any kind, provided that repayment of Subordinated Notes under this Condition 15 may only be effected after the Issuer has obtained the written consent of the Dutch Central Bank.

#### **16. Replacement of Notes, Receipts, Coupons and Talons**

Should any Note, Receipt, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Agent upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

## **17. Agent and Paying Agents**

The names of the initial Agent and the other initial Paying Agents and their initial specified offices are set out at the end of the Prospectus.

The Issuer is entitled to vary or terminate the appointment of any Paying Agent and/or appoint additional or other Paying Agents and/or approve any change in the specified office through which any Paying Agent acts, provided that:

- (i) so long as the Notes are listed on any stock exchange, there will at all times be a Paying Agent with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange (or any other relevant authority);
- (ii) there will at all times be a Paying Agent with a specified office in a city in continental Europe;
- (iii) there will at all times be an Agent;
- (iv) a Paying Agent in a Member State of the European Union that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such directive;
- (v) a notice will be published in the case of any change in Paying Agents.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in the final paragraph of Condition 6(b). Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 nor more than 45 days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 19.

In acting under the Agency Agreement, the Paying Agents act solely as agents of the Issuer and do not assume any obligation to, or relationship of agency or trust with, any Noteholders, Receiptholders or Couponholders. The Agency Agreement contains provisions permitting any entity into which any Paying Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor paying agent.

## **18. Exchange of Talons**

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 14. Each Talon shall, for the purposes of these Terms and Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon comprised in the relative Coupon sheet matures.

## **19. Notices**

All notices regarding the Notes shall be published (i) by way of press release, (ii) if so specified in the applicable Final Terms in a leading English language daily newspaper of general circulation in London, (iii) on the website of the Issuer, and (iv) if and for so long as the Notes are listed on the regulated market of the Luxembourg Stock Exchange, in a daily newspaper of general circulation in Luxembourg. It is expected that such publication will be made in the Financial Times in London (in the case of (ii) above) and in the Luxemburger Wort (in the case of (iv) above). Any

such notice will be deemed to have been given on the date of the first publication in all the newspapers in which such publication is required to be made.

Until such time as any Definitive Notes are issued, there may (provided that, in the case of any publication required by the rules of such stock exchange, the rules of the stock exchange so permit), so long as the Global Note(s) is or are held in its or their entirety on behalf of Euroclear, Clearstream, Luxembourg or Euroclear Netherlands, be substituted for publication in some or all of the newspapers referred to above, the delivery of the relevant notice to Euroclear, Clearstream, Luxembourg or Euroclear Netherlands for communication by them to the holders of the Notes, provided that, if and for so long as such Notes are listed on the regulated market of the Luxembourg Stock Exchange, the relevant notice shall also be published in a daily newspaper of general circulation in Luxembourg. Any such notice shall be deemed to have been given to the holders of the Notes on the first day after the day on which the said notice was given to Euroclear, Clearstream, Luxembourg or Euroclear Netherlands.

Where the identity of all the holders of the Notes is known to the Issuer, the Issuer may (after consultation with the relevant stock exchange (where relevant)) give notice individually to such holders in lieu of publication as provided above.

Notices to be given by any holder of the Notes shall be in writing and given by lodging the same, together with the relative Note or Notes, with the Agent. Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Agent via Euroclear, Clearstream, Luxembourg or Euroclear Netherlands, as the case may be, in such manner as the Agent and Euroclear, Clearstream, Luxembourg or Euroclear Netherlands, as the case may be, may approve for this purpose.

## **20. Meetings of Noteholders, Modification and Waiver**

The Agency Agreement contains provisions for convening meetings of the Noteholders of each Series to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of the Notes, the Receipts, the Coupons or certain provisions of the Agency Agreement. Such a meeting may be convened by the Issuer or Noteholders of each Series holding not less than five per cent. in nominal amount of the Senior Notes or, as the case may be, the Subordinated Notes for the time being remaining outstanding. The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing not less than 50 per cent. in nominal amount of the Notes of each Series for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders of each Series whatever the nominal amount of such Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of such Notes, Receipts and the Coupons (including modifying the date of maturity of such Notes or any date for payment of interest thereon, reducing or cancelling the amount of principal or the rate of interest payable in respect of such Notes or altering the currency of payment of such Notes, Receipts or Coupons), the necessary quorum for passing an Extraordinary Resolution will be one or more persons holding or representing not less than two-thirds, or at any adjourned such meeting not less than one-third, in nominal amount of such Notes for the time being outstanding. An Extraordinary Resolution of the Subordinated Notes shall only be effective when it is not materially prejudicial to the interests of the holders of the Senior Notes.

The Agent and the Issuer may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to:

- (i) any modification (except as mentioned above) of the Agency Agreement which is not materially prejudicial to the interests of the Noteholders; or
- (ii) any modification of the Notes, the Receipts, the Coupons or the Agency Agreement which is of a formal,
