Notes may be issued in unitised form (each, a "**Unit**"). The Specified Denomination and the Calculation Amount for a Note that is denominated in Units shall be the Aggregate Nominal Amount of the Unit as specified in the applicable Final Terms. References to a "**Note**" or "**Notes**" shall include references to Notes issued in unitised form.

This Note may be a Fixed Rate Note or a non-interest bearing Note, depending upon the Interest Basis shown in the applicable Final Terms.

Fixed Rate Notes in definitive form are issued with Coupons attached and, if applicable, Talons.

Notes will be in a denomination or denominations (each of which denominations must be integrally divisible by each smaller denomination) specified in the applicable Final Terms. Notes of one denomination will not be exchangeable after their initial delivery for Notes of any other denominations, subject to General Condition 3.

Subject as set out below, title to the Notes and Coupons will pass by delivery. For Notes held by Euroclear Netherlands or otherwise in the settlement system under the Wge deliveries will be made in accordance with the Wge and the regulations of Euroclear Netherlands. Except as ordered by a court of competent jurisdiction or as required by law or applicable regulations, the Issuer, the Agent and any Paying Agent may deem and treat the bearer of any Note or Coupon as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Note, without prejudice to the provisions set out in the next succeeding paragraph.

For as long as any of the Notes is represented by a Global Note held by or on behalf of Euroclear and/or Clearstream Banking, Luxembourg and/or the Euroclear Netherlands and/or any other applicable settlement institution each person (other than Euroclear, Euroclear Netherlands, Clearstream, Luxembourg or such other applicable settlement institution) who is for the time being shown in the records of Euroclear, Clearstream Netherlands, Clearstream, Luxembourg or such other applicable settlement institution as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear, Euroclear Netherlands, Clearstream, Luxembourg or such other applicable settlement institution as to the nominal amount of Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer and any Paying Agent as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on the Notes, for which purpose the bearer of the relevant Global Note shall be treated by the Issuer and any Paying Agent as the holder of such Notes in accordance with and subject to the terms of the relevant Global. Notes which are represented by a Global Note will be transferable only in accordance with the rules and procedures for the time being of Euroclear, Euroclear Netherlands, Clearstream, Luxembourg or any other relevant settlement system, as the case may be.

In case of Notes represented by a permanent Global Note deposited with Euroclear Netherlands, a Noteholder shall have no right to request delivery (*uitlevering*) thereof under the Wge other than as set out in the Global Note.

All Swedish Notes of the same Series shall have the same denomination. For so long as it is a requirement under the Swedish CSD Rules, the specified currency for Swedish Notes may only be SEK or EUR, as specified in the applicable Final Terms.

The Issuer shall be entitled to obtain information from the Swedish Register in accordance with the Swedish CSD Rules. To the extent permitted under the Swedish CSD Rules the Swedish Issuing Agent shall also be entitled to obtain such information.

If Notes are Swedish Notes, such Notes will be cash settled Notes.

2. Status of the Notes

The Notes and the Coupons constitute unsecured and unsubordinated obligations of the Issuer and rank *pari passu* without any preference among themselves and with all other present and future unsecured and unsubordinated obligations of the Issuer save for those preferred by mandatory provisions of law.

3. Redenomination

Where redenomination is specified in the applicable Final Terms, the Issuer may, without the consent of the Noteholders and the Couponholders, on giving prior notice to the Agent, Euroclear and/or Clearstream, Luxembourg and, if applicable, Euroclear Netherlands or any other applicable settlement institution and at least 30 days' prior notice to the Noteholders in accordance with General Condition 15, elect that, with effect from the Redenomination Date specified in the notice, the Notes shall be redenominated in Euro.

Subject to any applicable regulations, the election will have effect as follows:

- (i) the Notes shall be deemed to be redenominated into Euro with a nominal amount for each Note equal to the nominal amount of that Note in the Specified Currency, converted into Euro at the Established Rate, provided that, if the Issuer determines, with the agreement of the Agent, the market practice at that time in respect of the redenomination in Euro of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders, the stock exchange (if any) on which the Notes may be listed and the Paying Agents of such deemed amendments;
- (ii) save to the extent that an Exchange Notice has been given in accordance with paragraph (iv) below, the amount of interest due in respect of the Notes will be calculated by reference to the aggregate nominal amount of Notes presented (or, as the case may be, in respect of which Coupons are presented) for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest €0.01;

- (iii) if Definitive Notes are required to be issued after the Redenomination Date, they shall be issued at the expense of the Issuer in denominations of not less than €100,000 (as determined by the Issuer in consultation with the Agent) and such other denominations as the Agent shall determine and notify to the Noteholders;
- (iv) if issued prior to the Redenomination Date, all unmatured Coupons denominated in the Specified Currency (whether or not attached to the Notes) will become void with effect from the date on which the Issuer gives notice (the "**Exchange Notice**") that replacement Euro-denominated Notes and Coupons are available for exchange (provided that such securities are so available) and no payments will be made in respect of them. The payment obligations contained in any Notes so issued will also become void on that date although those Notes will continue to constitute valid exchange obligations of the Issuer. New Euro-denominated Notes and Coupons will be issued in exchange for Notes and Coupons denominated in the Specified Currency in such manner as the Agent may specify in consultation with the Issuer where practicable and as shall be notified to the Noteholders in the Exchange Notice. No Exchange Notice may be given less than 15 days prior to any date for payment of principal or interest on the Notes;
- (v) on or after the Redenomination Date, all payments in respect of the Notes and the Coupons, other than payments of interest in respect of periods commencing before the Redenomination Date, will be made solely in Euro as though references in the Notes to the Specified Currency were to Euro. Payments will be made in Euro by credit or transfer to a Euro account (or any other account to which Euro may be credited or transferred) specified by the payee; and
- (vi) if the Notes are Fixed Rate Notes and interest for any period ending on or after the Redenomination Date is required to be calculated for a period ending other than on an Interest Payment Date, it will be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

4. Interest

(a) Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest on its outstanding nominal amount from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrears on the Interest Payment Date(s) in each year and on the Maturity Date (if that does not fall on an Interest Payment Date).

The amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount, unless, if so specified in the applicable Final Terms, a Broken Amount is specified with respect to a particular Fixed Interest Period, in which case the specified Broken Amount will be payable on the Interest Payment Date.

If interest is required to be calculated for a period other than a Fixed Interest Period, such interest shall be calculated by applying the Rate of Interest to each Specified Denomination (or the Calculation Amount if one is specified), multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. If a Calculation Amount is specified to be applicable, the amount of interest payable in respect of a Note shall be calculated by multiplying the amount of interest (determined in the manner provided above) for the Calculation Amount by the amount by which the Calculation Amount must be multiplied to reach the Specified Denomination of such Note without any further rounding.

(b) Accrual of Interest

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (i) the date on which all amounts due in respect of such Note have been paid; and
- (ii) five days after the date on which the full amount of the moneys payable has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with General Condition 15 or individually.

(c) *Calculation of interest on Swedish Notes*

For the purpose of calculation of any amount of interest on Swedish Notes, the provisions in the General Terms and Conditions shall be amended so that all periods shall consist of the period from (but excluding) the first day of the relevant period up to (and including) the last day of the relevant period.

5. **Payments**

(a) *Method of Payment*

Subject as provided below:

- (i) payments in a Specified Currency other than Euro will be made by credit or transfer to an account in the relevant Specified Currency (which, in the case of a payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Wellington respectively); and
- (ii) payments in Euro will be made by credit or transfer to a Euro account (or to any other account to which Euro may be credited or transferred) specified by the payee.

Payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of General Condition 7, and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the "Code") or otherwise imposed pursuant to Sections 1471 through 1474 of the Code (or any regulations thereunder or official interpretations thereof) or an intergovernmental agreement between the United States and another jurisdiction facilitating the implementation thereof (or any law implementing such an intergovernmental agreement) ("FATCA"). Any such amounts withheld or deducted will be treated as paid for all purposes under the Notes, and no additional amounts will be paid on the Notes with respect to any such withholding or deduction.

(b) *Presentation of Notes and Coupons*

Payments of principal in respect of Definitive Notes will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Definitive Notes, and payments of interest in respect of Definitive Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Fixed Rate Notes in definitive form (other than Long Maturity Notes) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of five years after the date on which such principal first became due (whether or not such Coupon would otherwise have become void under General Condition 8) or, if later, five years from the date on which such Coupon would otherwise have become due. Upon any Fixed Rate Note becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons in respect of any such Talons will be issued.

Upon the date on which a Long Maturity Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A "**Long Maturity Note**" is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Fixed Interest Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any Definitive Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant Definitive Note.

Payments of principal and interest (if any) in respect of Notes represented by any Global Note will (subject as provided below) be made in the manner specified above in relation to Definitive Notes and otherwise in the manner specified in the relevant Global Note against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made against presentation or surrender of such Global Note, distinguishing between any payment of principal and any payment of interest, will be made on such Global Note by such Paying Agent and such record shall be prima facie evidence that the payment in question has been made.

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg, Euroclear Netherlands or any other applicable settlement institution as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear, Clearstream, Luxembourg, Euroclear Netherlands or such other applicable settlement institution, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of such Global Note. No person other than the holder of such Global Note shall have any claim against the Issuer in respect of any payments due on that Global Note.

Notwithstanding the foregoing, U.S. dollar payments of principal and interest in respect of the Notes will be made at the specified office of a Paying Agent in the United States if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Notes in the manner provided above when due;
- (ii) payment of the full amount of such interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

(c) Payment Day

If the date for payment of any amount in respect of any Note or Coupon is not a Payment Day, the Holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay.

(d) Interpretation of Principal and Interest

Any reference in these General Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under General Condition 7;

- (ii) the Final Redemption Amount of the Notes;
- (iii) the Early Redemption Amount of the Notes;
- (iv) the Optional Redemption Amount(s) (if any) of the Notes; and
- (v) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in these General Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under General Condition 7.

(e) Payments in respect of Swedish Notes

Payments of principal and/or interest in respect of Swedish Notes shall be made to the Holders registered as such on the fifth business day (as defined by the then applicable Swedish CSD Rules) before the due date for such payment, or such other business day falling closer to the due date as then may be stipulated in the Swedish CSD Rules. Such day shall be the record date in respect of the relevant Swedish Notes in accordance with the Swedish CSD Rules. Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment and will be made in accordance with the Swedish CSD Rules.

6. Redemption and Purchase

(a) At Maturity

Unless previously redeemed or purchased and cancelled as specified below and/or in the Additional Terms and Conditions as applicable, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in the relevant Specified Currency on the Maturity Date.

(b) Redemption for Tax Reasons

If this General Condition 6(b) is applicable, the Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time, on giving not less than 30 nor more than 60 days' notice to the Noteholders in accordance with General Condition 15 (which notice shall be irrevocable) if;

- (i) on the occasion of the next payment due under the Notes, the Issuer has or will become obliged to pay additional amounts as provided or referred to in General Condition 7(b) or the Issuer will not obtain full or substantially full relief for the purposes of Dutch corporation tax for any interest payable as a result of any change in, or amendment to, the laws or regulations of the Netherlands or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the Issue Date of the first Tranche of the Notes; and
- (ii) such obligation cannot be avoided by the Issuer taking reasonable measures available to it, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due.

Prior to the publication of any notice of redemption pursuant to this General Condition, the Issuer shall deliver to the Agent a certificate signed a duly authorised representative of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment.

Notes redeemed pursuant to this General Condition 6(b) will be redeemed at their Early Redemption Amount referred to in paragraph (g) below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

(c) *Redemption at the Option of the Issuer (Issuer Call Option)*

If "**Issuer Call Option**" is specified as applicable in the applicable Final Terms, the Issuer may, subject to notification to the Luxembourg Stock Exchange and/or Euronext Amsterdam (if the Notes are being listed on such stock exchange) and having given:

- (i) not less than 15 nor more than 30 days' notice to the Noteholders in accordance with General Condition 15; and
- (ii) not less than 15 days before the giving of the notice referred to in (i), notice to the Agent,

(both of which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on the Optional Redemption Date(s) and at the Optional Redemption Amount(s) specified in the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date(s).

The redemption procedures for Swedish Notes will be subject to the Swedish CSD Rules and notice shall be given to the Swedish CSD not later than simultaneously with notice being given to the Noteholders. No Noteholder may require the transfer of a Swedish Note to be registered during the period stipulated as a closed period prior to the due date for redemption as stipulated in the then current Swedish CSD Rules. In respect of Swedish Notes, the notice shall, in each case, also specify the such closed period.

Any such redemption must be of a nominal amount equal to at least the Minimum Redemption Amount and no more than the Maximum Redemption Amount, both as specified in the applicable Final Terms. In the case of a partial redemption of Notes, the Notes to be redeemed ("**Redeemed Notes**") will be selected individually by lot, in the case of Redeemed Notes represented by Definitive Notes, and in accordance with the rules of Euroclear, Clearstream, Luxembourg, Euroclear Netherlands and/or any other applicable settlement institution (to be reflected in the records of Euroclear, Clearstream, Luxembourg, Euroclear Netherlands or such other applicable settlement institution as either a pool factor or a reduction in nominal amount, at their discretion), in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter referred to as the "**Selection Date**"). In the case of Redeemed Notes represented by Definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with General Condition 15 not less than 15 days prior to the date fixed for redemption. The aggregate nominal amount of Redeemed Notes represented by Definitive Notes shall bear the same proportion to the aggregate nominal amount of all Redeemed Notes as the aggregate nominal amount of Definitive Notes outstanding bears to the aggregate nominal amount of the Notes outstanding, in each case on the Selection Date, provided that such first mentioned nominal amount shall, if necessary, be rounded downwards to the nearest integral multiple of the Specified Denomination, and the aggregate nominal amount of Redeemed Notes represented by a Global Note shall be equal to the balance of the Redeemed Notes. No exchange of the relevant Global Note will be permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this sub-paragraph (c) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with General Condition 15 at least 5 days prior to the Selection Date.

(d) *Redemption at the Option of the Noteholders (Put Option)*

If "**Put Option**" is specified as applicable in the applicable Final Terms, upon the holder of any Note giving to the Issuer in accordance with General Condition 15 not less than 15 nor more than 30 days' notice or such other period of notice as is specified in the applicable Final Terms (which notice shall be irrevocable), the Issuer will, upon the expiry of such notice, redeem, in whole (but not in part), such Note on the Optional Redemption Date and at the Optional Redemption Amount specified in the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date.

To exercise the right to require redemption of this Note the holder of this Note must, if this Note is in definitive form and held outside Euroclear, Clearstream, Luxembourg, Euroclear Netherlands or any other applicable settlement institution, deliver, at the specified office of any Paying Agent at any time during normal business hours of such Paying Agent rolling within the notice period, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a "**Put Notice**") and in which the Holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this General Condition accompanied by this Note or evidence satisfactory to the Paying Agent concerned that this Note will, following delivery of the Put Notice, be held to

its order or under its control. If this Note is represented by a Global Note or is in definitive form and held through Euroclear, Clearstream, Luxembourg, Euroclear Netherlands or any other applicable settlement institution, to exercise the right to require redemption of this Note the holder of this Note must, within the notice period, give notice to the Agent of such exercise in accordance with the standard procedures of Euroclear, Clearstream, Luxembourg, Euroclear Netherlands or such other applicable settlement institution, as the case may be (which may include notice being given on his instruction by Euroclear, Clearstream, Luxembourg, Euroclear Netherlands, such other applicable settlement institution or any common depository for them to the Agent by electronic means) in a form acceptable to Euroclear, Clearstream, Luxembourg, Euroclear Netherlands or such other applicable settlement institution, as the case may be, from time to time and, if this Note is represented by a Global Note, at the same time present or procure the presentation of the relevant Global Note to the Agent for notation accordingly.

Any Put Notice given by a holder of any Note pursuant to this paragraph shall be irrevocable except where prior to the due date of redemption an Event of Default shall have occurred and be continuing in which event such Holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this paragraph and instead to declare such Note forthwith due and payable pursuant to General Condition 9.

In the case of Swedish Notes, a Put Notice will not take effect against the Issuer before the date on which the relevant Swedish Notes have been transferred to the account designated by the Swedish Issuing Agent and blocked for further transfers by the Swedish Issuing Agent. No Swedish Note so transferred or blocked and option exercised may be withdrawn without the prior consent of the Issuer. The redemption procedures for Swedish Notes will be subject to the Swedish CSD Rules.

(e) Redemption for illegality

In the event that the Agent determines in good faith that the performance of the Issuer's obligations under the Notes or that any arrangements made to hedge the Issuer's obligations under the Notes has or will become unlawful, illegal or otherwise prohibited in whole or in part as a result of compliance with any applicable present or future law, rule, regulation, judgment, order or directive of any governmental, administrative, legislative or judicial authority or power, or in the interpretation thereof, the Issuer having given not less than 10 nor more than 30 days' notice to Noteholders in accordance with General Condition 15 (which notice shall be irrevocable), may, on expiry of such notice redeem all, but not some only, of the Notes, each Note being redeemed at the Early Redemption Amount together (if appropriate) with interest accrued to (but excluding) the date of redemption.

(f) Obligatory Redemption

If Obligatory Redemption is specified as applicable in the applicable Final Terms, the Issuer has the obligation to redeem the Notes in whole, but not in part, on the applicable Obligatory Redemption Date against payment of the applicable Obligatory Redemption Amount.

(g) Early Redemption Amounts

Unless specified otherwise in the applicable Final Terms and subject to Additional Condition 2, 3, 4, 5, 6, 7, 8 and/or General Condition 20 if applicable, for the purpose of paragraph (b) and (e) above, paragraph (j) below and General Condition 9, the Notes will be redeemed at the Early Redemption Amount calculated as follows:

- (i) in the case of a Note with a Final Redemption Amount equal to the Specified Denomination, at the Final Redemption Amount thereof; or
- (ii) in the case of a Note with a Final Redemption Amount which is or may be less or greater than the Issue Price or which is payable in a Specified Currency other than that in which the Notes are denominated, at its Early Redemption Amount.

(h) Purchases

The Issuer and any of its subsidiaries may at any time purchase Notes (provided that, in the case of Definitive Notes, all unmatured Coupons and unexchanged Talons relating thereto are purchased therewith) at any price in the open market or otherwise. If purchases are made by tender, tenders must be available to all Noteholders

alike. Such Notes may be held, reissued, resold or, at the option of the Issuer, surrendered to any Paying Agent for cancellation.

(i) Cancellation

All Notes which are redeemed will forthwith be cancelled (together with, in the case of Definitive Notes, all unmatured Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and Notes purchased and cancelled pursuant to paragraph (j) above (together with, in the case of Definitive Notes, all unmatured Coupons and Talons cancelled therewith) shall be forwarded to the Agent and cannot be reissued or resold.

(j) Redemption of Notes - other

The Issuer may at any time, on giving not less than 15 nor more than 30 days' notice to the Noteholders in accordance with General Condition 15, redeem all but not some only of the Notes for the time being outstanding at their Early Redemption Amount together (if appropriate) with interest accrued to (but excluding) the date of redemption if, prior to the date of such notice, 90 per cent. or more in nominal amount of the Notes of such Series have been redeemed or purchased and cancelled.

7. Taxation

All payments of principal and interest in respect of the Notes and Coupons by the Issuer will be made without withholding or deduction for or on account of any present or future taxes or duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of the Netherlands or any political subdivision or any authority thereof or therein having power to tax, unless such withholding or deduction is required by law. In such event, the Issuer will, depending on which provision is specified in the applicable Final Terms, either

- (a) make the required withholding or deduction of such taxes, duties, assessments or governmental charges for the account of the holders of the Notes or Coupons, as the case may be, and shall not pay any additional amounts to the holders of the Notes or Coupons or
- (b) pay such additional amounts as shall be necessary in order that the net amounts received by the holders of the Notes or Coupons after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes or Coupons, as the case may be, in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Note or Coupon:
 - i. presented for payment by or on behalf of a Noteholder or Couponholder who is liable for such taxes or duties in respect of such Note or Coupon by reason of his having some connection with the Netherlands other than the mere holding of such Note or Coupon or the receipt of principal or interest in respect thereof; or
 - ii. presented for payment by or on behalf of a Noteholder or Couponholder who would not be liable or subject to the withholding or deduction by making a declaration of non-residence or other similar claim for exemption to the relevant tax authority; or
 - iii. presented for payment more than 30 days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth day (assuming that day to have been a Payment Day as defined in General Condition 5(c)).

As used herein, the "**Relevant Date**" means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Agent on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with General Condition 15.

For the avoidance of doubt, no additional amounts will be paid by the Issuer or any Paying Agent on account of any deduction or withholding from a payment on, or in respect of, the Notes where such deduction or withholding is imposed pursuant to, on in connection with, FATCA.

8. Prescription

The Notes and Coupons will become void unless presented for payment within a period of five years after the date on which such payment first becomes due.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this General Condition or General Condition 5(b) or any Talon which would be void pursuant to General Condition 5(b).

9. Events of Default

If in the case of any Notes one or more of the following events (each an "Event of Default") shall have occurred and be continuing:

- (i) default is made for more than 14 days in the payment of interest or principal in respect of the Notes; or
- (ii) the Issuer fails to perform or observe any of its other obligations under the Notes and such failure has continued for the period of 30 days next following the service on the Issuer of notice requiring the same to be remedied; or
- (iii) the Issuer fails in the due repayment of borrowed money in excess of €15,000,000 and such failure continues for a period of 14 days after notice of such failure has been received by the Issuer, provided that no event of default shall be deemed to have occurred if the Issuer shall contest its liability in good faith or shall have been ordered not to make such a payment by a competent court; or
- (iv) an order is made or an effective resolution is passed for the winding up or liquidation of the Issuer unless this is done in connection with a merger, consolidation or other form of combination with another company and such company assumes all obligations contracted by the Issuer in connection with the Notes; or
- (v) the Issuer is declared bankrupt or a declaration is made in respect of the Issuer under Article 3:163(1)(b) of the Dutch Financial Supervision Act (*Wet op het financieel toezicht*, the "Wft") in respect of the Issuer; or
- (vi) emergency measures in respect of the Issuer as referred to under Article 3:160(1)(a) or (c) of the Wft are declared.

then any Noteholder may, by written notice to the Issuer at the specified office of the Agent, effective upon the date of receipt thereof by the Agent, declare the Note held by the holder to be forthwith due and payable whereupon the same shall become forthwith due and payable at its Early Redemption Amount, together with accrued interest (if any) to the date of repayment, without presentment, demand, protest or other notice of any kind or, in the context of Swedish Notes only, provided that the relevant Swedish Notes held by such Noteholder have been transferred to the account designated by the Swedish Issuing Agent and blocked for further transfers by the Swedish Issuing Agent. No Swedish Note so transferred or blocked and option exercised may be withdrawn without the prior consent of the Issuer.

10. Replacement of Notes, Coupons and Talons

Should any Note, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Agent upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes, Coupons or Talons must be surrendered before replacements will be issued. For the avoidance of doubt, this General Condition 10 shall not apply to Swedish Notes.

11. Agent and Paying Agents

The names of the initial Agent and the other initial Paying Agents and their initial specified offices are set out at the end of the Base Prospectus.

The Issuer is entitled to vary or terminate the appointment of any Paying Agent and/or appoint additional or other Paying Agents and/or approve any change in the specified office through which any Paying Agent acts, provided that:

- (i) so long as the Notes are listed on any stock exchange, there will at all times be a Paying Agent with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange (or any other relevant authority);
- (ii) there will at all times be a Paying Agent with a specified office in a city in continental Europe;
- (iii) there will at all times be an Agent;
- (iv) a notice will be published in the case of any change in Paying Agents; and
- (v) so long as there is any Swedish Note outstanding, there will at all times be a Swedish CSD and a Swedish Issuing Agent.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in the final paragraph of General Condition 5(b). Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 nor more than 45 days' prior notice thereof shall have been given to the Noteholders in accordance with General Condition 15.

In acting under the Agency Agreement, the Paying Agents act solely as agents of the Issuer and do not assume any obligation to, or relationship of agency or trust with, any Noteholders or Couponholders. The Agency Agreement contains provisions permitting any entity into which any Paying Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor paying agent.

12. Index Disclaimer

The Notes are not sponsored, endorsed, sold or promoted by any of the Indices or any of the Index Sponsors and none of the Index Sponsors has made any representation whatsoever, whether express or implied, either as to the results to be obtained from the use of the relevant Index and/or the levels at which any such Index stands at any particular time on any particular date or otherwise. None of the Index Sponsors shall be liable (whether in negligence or otherwise) to any person for any error in any relevant Index and none of the Index Sponsors are under any obligation to advise any person of any error therein. The Index Sponsors have made no representation whatsoever, whether express or implied, as to the advisability of purchasing or assuming any risk in connection with the Notes. Neither the Issuer nor the Calculation Agent shall have any liability to any person for any act or failure to act by any Index Sponsor in connection with the calculation, adjustment or maintenance of any Index. Neither the Issuer nor the Calculation Agent has any affiliation with or control over any of the Indices or any of the Index Sponsors or any control over the computation, composition or dissemination of the Indices. Although the Issuer and the Calculation Agent will obtain information concerning the Indices from publicly available sources they believe to be reliable, they will not independently verify this information.

13. Calculation Agent

- (i) The Calculation Agent shall not assume any obligations towards or relationship of agency or trust for or with any of the owners or holders of such Note or the receipts or coupons (if any) appertaining thereto.
- (ii) The Calculation Agent, and any of its affiliates, officers, directors, controlling persons and employees, may become the owner of, or acquire any interest in, any Notes, receipts or coupons (if any) appertaining thereto with the same rights that it, she or he would have if the Calculation Agent were not appointed in respect of any Note, and may engage or be interested in any financial or other transaction with the Issuer without being liable to account to the Noteholder or Couponholders for any resulting profit and may act on, or as depositary, trustee or agent for, any committee or body of holders of Notes or Coupons (if any) or in connection with any other obligations of the Issuer as freely as if the Calculation Agent were not appointed in respect of any Note.

14. Exchange of Talons

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of General Condition 8. Each Talon shall, for the purposes of these General Terms and Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon comprised in the relative Coupon sheet matures.

15. Notices

All notices regarding the Notes shall be published (i) by way of press release, (ii) on the website of the Issuer, and (iii) if and for so long as the Notes are listed on the Luxembourg Stock Exchange and such is required pursuant to the rules and regulations of the Luxembourg Stock Exchange, in a daily newspaper of general circulation in Luxembourg or on the website of the Luxembourg Stock Exchange (www.bourse.lu). It is expected that such publication will be made in the Luxemburger Wort (in the case of (iii) above). Any such notice will be deemed to have been given on the date of the first publication in all the newspapers in which such publication is required to be made.

Until such time as any Definitive Notes are issued, there may (provided that, in the case of any publication required by the rules of such stock exchange, the rules of the stock exchange so permit), so long as the Global Note(s) is or are held in its or their entirety on behalf of Euroclear, Clearstream, Luxembourg, Euroclear Netherlands or any other applicable settlement institution, be substituted for the delivery of the relevant notice to Euroclear, Clearstream, Luxembourg, Euroclear Netherlands or any other applicable settlement institution for communication by them to the holders of the Notes, provided that, if and for so long as such Notes are listed on the Luxembourg Stock Exchange and such is required pursuant to the rules and regulations of the Luxembourg Stock Exchange, the relevant notice shall also be published in a daily newspaper of general circulation in Luxembourg. Any such notice shall be deemed to have been given to the holders of the Notes on the first day after the day on which the said notice was given to Euroclear, Clearstream, Luxembourg, Euroclear Netherlands or any other applicable settlement institution.

Where the identity of all the holders of the Notes is known to the Issuer, the Issuer may (after consultation with the relevant stock exchange (where relevant)) give notice individually to such holders in lieu of publication as provided above.

Notices to be given by any holder of the Notes shall be in writing and given by lodging the same, together with the relative Note or Notes, with the Agent. Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Agent via Euroclear, Clearstream, Luxembourg, Euroclear Netherlands or any other applicable settlement institution, as the case may be, in such manner as the Agent and Euroclear, Clearstream, Luxembourg, Euroclear Netherlands or any other applicable settlement institution, as the case may be, may approve for this purpose.

In the case of Swedish Notes, all notices to Holders shall be valid if sent by mail to the address registered for such Holder in the Swedish Register or otherwise sent in accordance with the rules and regulations of the Swedish CSD.

16. Notice of Determinations and Calculations

Unless the Issuer is the Calculation Agent, the Calculation Agent shall notify the Issuer of each of the determinations and calculations made by it ultimately on the first Business Day following the date on which the Calculation Agent shall make such determination or calculation under these Additional Terms and Conditions.

17. Meetings of Noteholders, Modification and Waiver

The Agency Agreement contains provisions for convening meetings of the Noteholders of each Series to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of the Notes, the Coupons or certain provisions of the Agency Agreement. Such a meeting may be

convened by the Issuer or Noteholders of each Series holding not less than five per cent. in nominal amount of the Notes for the time being remaining outstanding. The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing not less than 50 per cent. in nominal amount of the Notes of each Series for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders of each Series whatever the nominal amount of such Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of such Notes and the Coupons (including modifying the date of maturity of such Notes or any date for payment of interest thereon, reducing or cancelling the amount of principal or the rate of interest payable in respect of such Notes or altering the currency of payment of such Notes or Coupons), the necessary quorum for passing an Extraordinary Resolution will be one or more persons holding or representing not less than two-thirds, or at any adjourned such meeting not less than one-third, in nominal amount of such Notes for the time being outstanding. An Extraordinary Resolution passed at any meeting of the Noteholders of each Series shall be binding on all the Noteholders of such class of Notes, whether or not they are present at the meeting, and on all Couponholders. A notice convening a meeting in relation to any Swedish Notes shall state the relevant record date prior to the date of the meeting for the purposes of establishing the voting entitlements at the relevant meeting. If a holder of Swedish Notes hold such Notes through an authorised nominee attend the meeting (in person or through a duly authorised agent) and presents a certificate from the relevant nominee showing that such holder on the relevant record date for the voting entitlement, such Noteholder shall be regarded the holder of such Swedish Notes for the purposes of this General Condition 17 (and not the relevant nominee).

The Agency Agreement also provides that (i) a resolution in writing signed by or on behalf of the holders of not less than two-thirds in nominal amount of such Notes for the time being outstanding or (ii) consents given by way of electronic consents communicated through the electronic communications systems of the relevant clearing system(s) in accordance with their operating rules and procedures by or on behalf of the holders of not less than two-thirds in nominal amount of such Notes for the time being outstanding, shall, in either case, for all purposes be as valid and effective as an Extraordinary Resolution passed at a meeting of Noteholders duly convened and held. Any such resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Noteholders.

The Issuer may not vote on any Notes held by it, whether directly or indirectly, and such Notes shall not be taken into account in establishing the total amount outstanding.

The Agent and the Issuer may agree, without the consent of the Noteholders or Couponholders, to:

- (i) any modification (except as mentioned above) of the Agency Agreement which is not materially prejudicial to the interests of the Noteholders; or
- (ii) any modification of the Notes, the Coupons or the Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest or proven error or to comply with mandatory provisions of the law of the Netherlands; or

Any such modification shall be binding on the Noteholders and the Couponholders and any such modification shall be notified to the Noteholders in accordance with General Condition 15 as soon as practicable thereafter.

18. Further Issues

The Issuer shall be at liberty from time to time without the consent of the Noteholders or Couponholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and so that the same shall be consolidated and form a single Series with the outstanding Notes.

19. Substitution of the Issuer

- (a) The Issuer may, with the consent of the Noteholders or Couponholders which will be deemed to have been given in respect of each issue of Notes on which no payment of principal or interest is in default, be replaced and substituted by any directly or indirectly wholly owned subsidiary of the Issuer (the "**Substituted Debtor**") as principal debtor in respect of the Notes and the Coupons provided that:
 - (i) such documents shall be executed by the Substituted Debtor and the Issuer as may be necessary to give full effect to the substitution (the "**Documents**") and (without limiting the generality of the

foregoing) pursuant to which the Substituted Debtor shall undertake in favour of each Noteholder and Couponholder to be bound by the General Terms and Conditions and the provisions of the Agency Agreement as fully as if the Substituted Debtor had been named in the Notes, and the Coupons and the Agency Agreement as the principal debtor in respect of the Notes and the Coupons in place of the Issuer and pursuant to which the Issuer shall provide a guarantee (the "Guarantee") in favour of each Noteholder and each holder of the Coupons the payment of all sums (including any additional amounts payable pursuant to General Condition 7(b)) payable in respect of the Notes and the Coupons;

- (ii) without prejudice to sub-paragraph (i) hereof, where the Substituted Debtor is incorporated, domiciled or resident for taxation purposes in a territory other than the Netherlands, the Documents shall contain a covenant and/or such other provisions as may be necessary to ensure that each Noteholder has the benefit of a covenant in terms corresponding to the provisions of General Condition 7 with the substitution for the references to the Netherlands of references to the territory in which the Substituted Debtor is incorporated, domiciled and/or resident for taxation purposes. The Documents shall also contain a covenant by the Substituted Debtor and the Issuer to indemnify and hold harmless each Noteholder and Couponholder against all liabilities, costs, charges and expenses, provided that insofar as the liabilities, costs, charges and expenses are taxes or duties, the same arise by reason of a law or regulation having legal effect or being in reasonable contemplation thereof on the date such substitution becomes effective, which may be incurred by or levied against such holder as a result of any substitution pursuant to this General Condition and which would not have been so incurred or levied had such substitution not been made (and, without limiting the foregoing, such liabilities, costs, charges and expenses shall include any and all taxes or duties which are imposed on any such Noteholder or Couponholder by any political sub-division or taxing authority of any country in which such Noteholder or Couponholder resides or is subject to any such tax or duty and which would not have been so imposed had such substitution not been made);
- (iii) the Documents shall contain a warranty and representation by the Substituted Debtor and the Issuer (a) that each of the Substituted Debtor and the Issuer has obtained all necessary governmental and regulatory approvals and consents for such substitution and the performance of its obligations under the Documents, and that all such approvals and consents are in full force and effect and (b) that the obligations assumed by each of the Substituted Debtor and the Issuer under the Documents are valid and binding in accordance with the respective terms and enforceable by each Noteholder;
- (iv) each stock exchange which has Notes listed thereon shall have confirmed that following the proposed substitution of the Substituted Debtor such Notes will continue to be listed on such stock exchange;
- (v) the Substituted Debtor shall have delivered to the Agent or procured the delivery to the Agent of a legal opinion from a leading firm of local lawyers acting for the Substituted Debtor to the effect that the Documents constitute legal, valid and binding obligations of the Substituted Debtor, such opinion to be dated not more than 3 days prior to the date of substitution of the Substituted Debtor for the Issue and to be available for inspection by Noteholders and Couponholders at the specified office of the Agent;
- (vi) the Issuer shall have delivered to the Agent or produced the delivery to the Agent of a legal opinion from a leading firm of Dutch lawyers acting for the Issuer to the effect that the Documents (including the Guarantee) constitute legal, valid and binding obligations of the Issuer, such opinion to be dated not more than 3 days prior to the date of substitution of the Substituted Debtor for the Issuer and to be available for inspection by Noteholders and Couponholders at the specified office of the Agent;
- (vii) the Issuer shall have delivered to the Agent or procured the delivery to the Agent of a legal opinion from a leading firm of Dutch lawyers (which may be the same lawyers referred to in (vi) above) to the effect that the Documents constitute legal, valid and binding obligations of the Substituted Debtor under Dutch law, such opinion to be dated not more than 3 days prior to the date of substitution of the Substituted Debtor for the Issue and to be available for inspection by Noteholders and Couponholders at the specified office of the Agent; and

- (viii) provided that, in the event there is any Swedish Note outstanding, the Swedish CSD has given its consent to the substitution of the Issuer (which consent shall not be unreasonably withheld or delayed).
- (b) In connection with any substitution effected pursuant to this General Condition, neither the Issuer, nor the Substituted Debtor need have any regard to the consequences of any such substitution for individual Noteholders or Couponholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory and no Noteholder or Couponholder, except as provided in General Condition 19(a)(ii), shall be entitled to claim from the Issuer, or any Substituted Debtor, under the Notes and the Coupons, any indemnification or payment in respect of any tax or other consequences arising from such substitution.
- (c) Upon the execution of the Documents as referred to in paragraph (a) above, and subject to the notice referred to in paragraph (e) below having been given, the Substituted Debtor shall be deemed to be named in the Notes and the Coupons as the principal debtor in place of the Issuer and the Notes and the Coupons shall thereupon be deemed to be amended to give effect to the substitution. The execution of the Documents shall operate to release the Issuer as issuer from all of its obligations as principal debtor in respect of the Notes and Coupons prior to release and shall inure for the benefit of Noteholders and Couponholders.
- (d) The Documents shall be deposited with and held by the Agent for so long as any Notes or Coupons remain outstanding and for so long as any claim made against the Substituted Debtor by any Noteholder or Couponholder in relation to the Notes or the Coupons or the Documents shall not have been finally adjudicated, settled or discharged. The Substituted Debtor and the Issuer shall acknowledge in the Documents the right of every Noteholder and Couponholder to the production of the Documents for the enforcement of any provision of the Notes or the Coupons or the Documents.
- (e) Not later than 15 business days after the execution of the Documents, the Substituted Debtor shall give notice thereof to the Noteholders in accordance with General Condition 15.

20. Adjustments

- a) Adjustments and Early Redemption
 - i) In the case of any Index, if the Calculation Agent determines that, in respect of such Index, any Additional Disruption Event, Index Modification, Index Cancellation and/or Index Disruption and/or any other event or events occur which the Calculation Agent determines necessitate(s) an adjustment or adjustments to any one or more Product Parameter and/or any other relevant term of the Notes (including, the amount of interest payable, if any) (each such other event, a "**Relevant Event**"), the Issuer, at its discretion, may:
 - (1) make any adjustment or adjustments to any one or more Product Parameters and/or any one or more other terms and/or conditions of the Notes (including the amount of interest payable, if any) as it deems necessary with an aim of neutralising the distorting effects of such events; and/or
 - (2) redeem each Note at its fair market value (as determined by the Calculation Agent) as at the date of redemption taking into account the occurrence of such Additional Disruption Event, Index Modification, Index Cancellation Index Disruption and/or Relevant Event applicable, less, unless "Adjustment for Early Redemption Unwind Costs" is specified as being "Not Applicable" in the applicable Final Terms, the cost to the Issuer (or any of its Affiliates) of amending or liquidating any Hedging Arrangement, together with any costs, expenses, fees or taxes incurred by the Issuer (or any of its Affiliates) in respect of any such Hedging Arrangement.
 - ii) In the case of any Share, if the Calculation Agent determines that, in respect of such Share, any Potential Adjustment Event has occurred or that there has been an adjustment to the settlement terms of listed contracts on such Share traded on a Related Exchange, the Calculation Agent will

determine whether such Potential Adjustment Event or adjustment has a diluting or concentrative effect on the theoretical value of such Share and, if so, may:

- (1) make the corresponding adjustment or adjustments, if any, to any one or more Product Parameters and/or any one or more other terms and/or conditions of the Notes (including the amount of interest payable, if any) as it determines appropriate to account for such dilutive or concentrative effect (provided that no adjustments will be made to account solely for changes in volatility, expected dividend, stock loan rate or liquidity relevant to the Share or to the Notes), and determine the effective date(s) of the adjustment(s); and/or
- (2) redeem each Note at its fair market value (as determined by the Calculation Agent) as at the date of redemption taking into account the occurrence of such Potential Adjustment Event less, unless "Adjustment for Early Redemption Unwind Costs" is specified as being "Not Applicable" in the applicable Final Terms, the cost to the Issuer (or any of its Affiliates) of amending or liquidating any Hedging Arrangement, together with any costs, expenses, fees or taxes incurred by the Issuer (or any of its Affiliates) in respect of any such Hedging Arrangement.

The Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment in respect of such Potential Adjustment Event or adjustment to settlement terms made by an options exchange to options on a Share traded on that options exchange.

b) Consequences of a Merger Event in respect of any Share

If the Calculation Agent determines that a Merger Event has occurred in respect of any Share, the Issuer may:

- i) redeem each Note at its fair market value (as determined by the Calculation Agent) as at the Merger Date less, unless "Unwind Costs" are specified as being "Not Applicable" in the applicable Final Terms, the cost to the Issuer of amending or liquidating any Hedging Arrangement, together with any costs, expenses, fees or taxes incurred by the Issuer in respect of any such Hedging Arrangement; and/or
- ii) make such adjustment to any one or more Product Parameters and/or any one or more other terms and/or conditions of the Notes (including the amount of interest payable, if any) as the Calculation Agent determines appropriate to account for the economic effect on the Notes of such Merger Event (provided that no adjustments will be made to solely account for changes in volatility, expected dividends, stock loan rate or liquidity relevant to the Share or to the Notes) and determine the effective date of that adjustment; and/or
- iii) save in respect of a Reverse Merger, on or after the relevant Merger Date, deem the New Shares and/or the amount of Other Consideration, if applicable (as subsequently modified in accordance with any relevant terms and including the proceeds of any redemption, if applicable), and their issuer (if any) to be the "Shares" and the "Share Issuer", respectively.

The Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment in respect of such Merger Event made by an options exchange to options on a Share traded on that options exchange.

c) Consequences of a Tender Offer in respect of any Share

If the Calculation Agent determines that a Tender Offer has occurred in respect of any Share, then on or after the relevant Tender Offer Date, the Issuer may:

- i) require the Calculation Agent to determine the appropriate adjustment, if any, to be made to the calculation of the relevant Reference Asset price or any amount payable under the Notes (which may include the substitution of the Share Issuer with another company or companies or fund(s), irrespective of whether such company or companies or fund(s) are then currently used for the purposes of the calculation of amounts payable under the Notes; or

- ii) redeem each Note at its fair market value (as determined by the Calculation Agent) as at the Tender Offer Date less, unless "Unwind Costs" are specified as being "Not Applicable" in the applicable Final Terms, the cost to the Issuer of amending or liquidating any Hedging Arrangement, together with any costs, expenses, fees or taxes incurred by the Issuer in respect of any such Hedging Arrangement; and/or

The Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment in respect of such Tender Offer made by an options exchange to options on a Share traded on that options exchange.

d) Nationalisation, Insolvency or Delisting in respect of any Share

If in respect of any Share, the Calculation Agent determines that there has been a Nationalisation, an Insolvency or a Delisting in respect of the Share or the Share Issuer, the Issuer may:

g) Currency

If the Calculation Agent determines that any event occurs affecting the Specified Currency or, in respect of any Share, the currency in which such Share is quoted, listed and/or dealt in on the Exchange (whether relating to its convertibility into other currencies or otherwise) which the Calculation Agent determines necessitates an adjustment or adjustments to any one or more Product Parameters and/or any one or more other terms and/or conditions of the Notes (including the amount of interest payable, if any), the Issuer may make such adjustment or adjustments to any one or more Product Parameters and/or any one or more other terms and/or conditions of the Notes (including the amount of interest payable, if any) as it deems necessary with an aim of neutralising the distorting effects of such events.

h) Additional Disruption Events in respect of any Share

 - (a) in the case of an Index, in accordance with the formula for the method of calculating the Index Level of such Index or Affected Basket Component, as the case may be, last in effect prior to the occurrence of the first Disrupted Day using the Exchange traded or quoted values as the Valuation Time on the Reference Cut-Off Date of each security comprised in such Index, or Affected Index Basket Company, as the case may be (or if the Calculation Agent determines that an event giving rise to a Disrupted Day has occurred in respect of the relevant security on the Reference Cut-Off Date, its good faith estimate of the value of the relevant security as of the Valuation Time on the Reference Cut-Off Date); or
 - (b) in the case of a Share, as its good faith estimate of the price of such Share that would have prevailed at such time; and/or
 - (3) the Issuer may make any adjustment or adjustments to the Product Parameters and/or any other relevant term of the Notes (including the amount of interest payable, if any) as it deems necessary.

If the Issuer is not the Calculation Agent, the Calculation Agent shall give notice as soon as practicable to the Issuer of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day, would have been a Reference Date and the Issuer shall give such notice as soon as practicable to the Noteholders in accordance with General Condition 15 (*Notices*) and otherwise, if the Issuer is the Calculation Agent, the Issuer shall give notice as soon as practicable to the Noteholders of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day, would have been a Reference Date in accordance with General Condition 15 (*Notices*).
