

Exclusion List

Q1 2025

Van Lanschot Kempen wants to preserve and create wealth, in a sustainable way, for its clients and the society it serves. The minimum standard is “to do no harm”. As part of its sustainability approach, Van Lanschot Kempen does not want to invest in companies and countries involved in activities with severe negative impact on people and/or the environment. The activities can be product / services based or related to conduct.
